

Event Liability Insurance

Dear Chapter President:

The GTO of Association of America provides at no cost to our Chapters: liability insurance coverage for your chapter sponsored events. Without the GTOAA's insurance policy, this type of coverage would cost your chapter several hundreds of dollars each year.

The GTOAA pays over \$2500 per year for liability insurance for your club's activities such as cruises, car shows, meetings, parties or other club hosted events. Coverage applies to "bodily injury" or "property damage" caused by an occurrence that takes place at a covered event. It includes personal & advertising liability and damage to premises rented or occupied. The limits of our policy are \$3,000,000. Exclusions to the coverage include items such as intoxication, theft, vandalism, automobile liability, and speed related events (drag racing, burnout contests, etc.).

Our liability insurance also covers the staff and volunteers of a chapter who organize and work our yearly GTOAA meet under the direction of the GTOAA staff. In addition, our insurance policy covers GTOAA sanctioned Regional Meets hosted by our chapters under the direction of the Chapter's Officers.

Remember to complete a "Request for Certificate of Insurance" form at least four weeks prior to the date of your event. Carefully complete the form by reviewing the instructions for filling it out. Then, you can mail it to J.C. Taylor at the address cited on the instruction form, fax it to the number on the form, or email the form to the email address provided. You can access the form and the instructions on the GTOAA website. J.C. Taylor will send you an insurance certificate and a courtesy copy to us for our GTOAA files.

We wish you good luck and much success with your events.

Sincerely,
Your GTO Association of America's
President, and Board of Directors
