ACCESSORIES!**

1965 PONTIAC ACCESSORIES INDEX

Catalina/Star Chief/Bonneville/Grand Prix/Tempest/Tempest Custom/Le Mans

On the following pages you'll find many accessories that will add to your daily driving enjoyment. Look them over now and make your selection. You'll enjoy yourself twice—when you choose them and when you use them!

To help you quickly locate the options and accessories which apply to your Pontiac, this catalog is divided into two different-colored sections. The section for *Catalina, Star Chief, Bonneville and Grand Prix* is printed in ochre and begins on page 4. The section for *Tempest, Tempest Custom and Le Mans* is printed in red and begins on page 18.

Some of the more popular Pontiac accessories are offered in groups. Each group is factory-installed during assembly, thus saving you time and installation cost. You can order almost any accessory *individually*, too, including most of those in the groups.

Your dealer can install any item which shows a bold letter (D) following its description. (F) alone indicates that the item is factory installed only. (F,D) shows that the item can be installed at the factory or by your dealer.

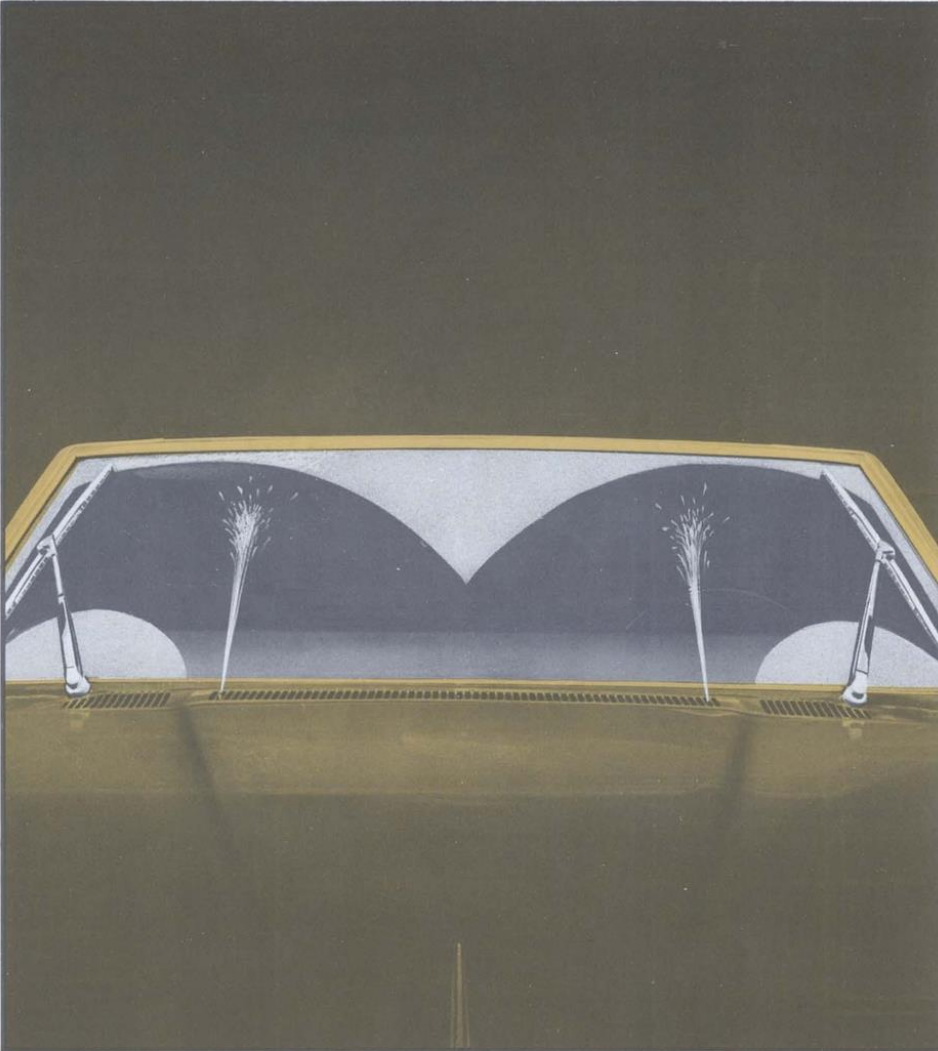

(Note: "P" column lists pages for Catalina, Star Chief, Bonneville, Grand Prix.
"T" column refers to Tempest, Tempest Custom, Le Mans.)

Windshield Washers & Dual Speed Wipers.....	4	18

BASIC GROUP [code 061]

Catalina/Star Chief/Bonneville/Grand Prix

Windshield Washer and Dual Speed Wiper (Code 421). Washers operate from push button on instrument panel. Twin jets of washer solution spray on windshield. All-new articulated

overlapping two-speed windshield wiper* blades clean away dirt over greater glass surface, including critical corner areas. Unit includes extra-tough plastic jar for fluid. (F)

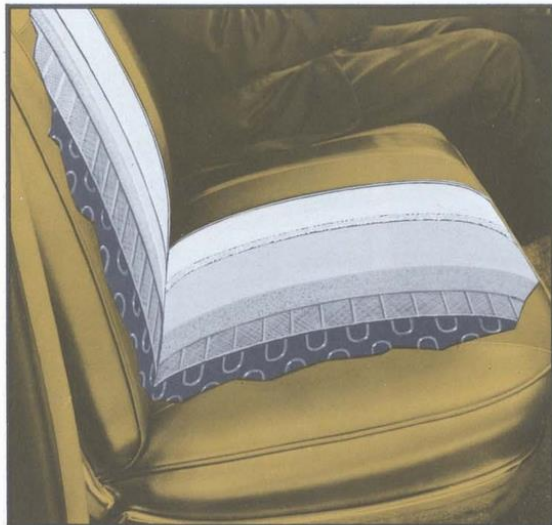

*Dual Speed Wipers are standard on Star Chief, Bonneville and Grand Prix. On Catalina, Dual Speed Wipers are included in windshield washer option.

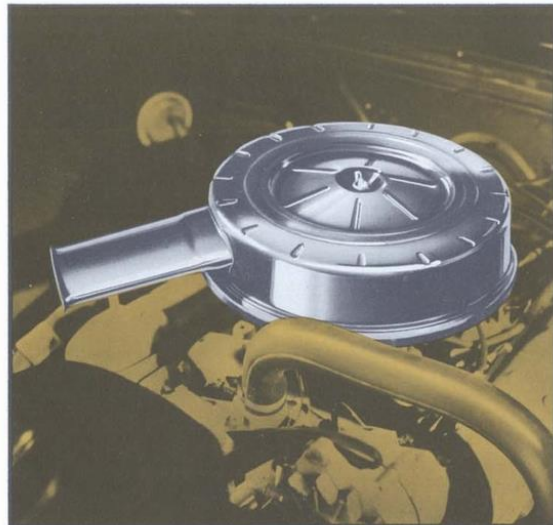

Backup Lamps (Code 471) . . . light up automatically when you shift into reverse illuminating area behind car. Adds safety for driver and pedestrians, and warning for oncoming cars. (F,D)

Super Deluxe Radio & Antenna (Code 392). '65 improvements make this option more enjoyable than ever. Refinements in circuit design bring superior tone and fidelity. Wider dial for more precise tuning. New shallow basket speaker is more compact while having same power and response. New standard antenna has oval-shaped cross section, reducing wind noise because of minimum resistance at road speed. (F,D)

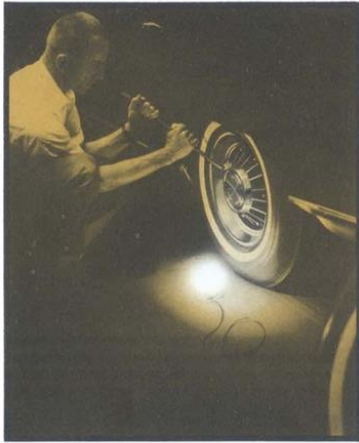

Custom Foam Seat Cushion (Code 412) . . . for front bench seats only. The ultimate in luxury motoring comfort. Custom lounge 2 1/4" foam pad reduces road shocks and provides a more relaxing ride—especially satisfying on long trips. Not available on bucket seats, which already have contour moulded foam padding. (F)

Heavy-duty Air Cleaner (Code 431) . . . brings additional protection against dust, dirt and grit particles—helps prolong engine life. Included as standard cleaner on all extra-cost optional engines. (F,D)

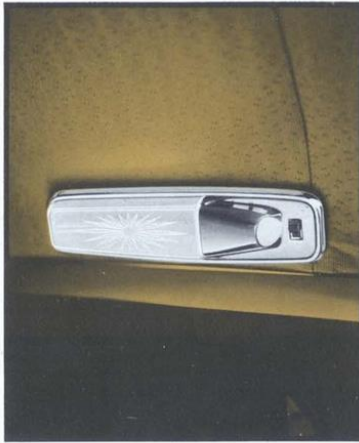

LAMP GROUP [code 084]

Catalina/Star Chief/Bonneville/Grand Prix

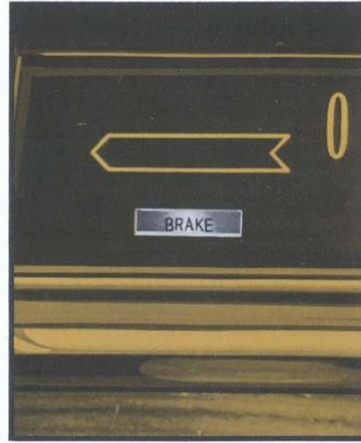

Luggage and Utility Lamp (Code 481) . . . lights automatically when trunk lid is lifted. Permits free use of both hands for loading luggage. Lamp lifts from bracket and has about 17 feet of self-storing extension cord. Ideal when emergency repairs or tire changes must be made after dark. (Sedans and coupes only.) (F,D)

Underhood Utility Lamp (Code 404) . . . unit similar to above but located under engine hood . . . available for Safaris. (F,D)

Side Roof Rail Courtesy and Reading Lamps (Code 484) . . . mounted on interior side roof rails, one lamp on each side. Provide more evenly distributed light for map-reading and other nighttime chores. Not available on convertibles. Each lamp has individual switch. (F)

Parking Brake Warning Lamp (Code 494) . . . mounted on instrument panel to show a red light when ignition is turned on and parking brake is set. Light stays on until brake is fully released. (F,D)

Glove Compartment Lamp (Code 482) . . . lights automatically when glove compartment door is opened. Helps to find what is wanted in a jiffy. Standard on Star Chief, Bonneville and Grand Prix. Optional at extra cost on Catalina. (F,D)

Ashtray and Lighter Lamps (Code 492) . . . glow automatically when parking lights or headlights go on. Plainly seen when ashtray is pulled out or when lighter is removed. (F,D)

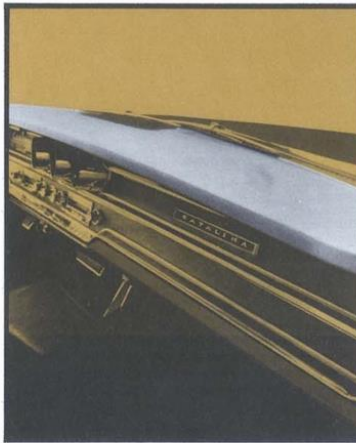

Instrument Panel Courtesy Lamp (Code 491) . . . lights when front door is opened. Can also be operated manually by switch on instrument panel. With Code 491, Catalina Convertible has Instrument Panel and Rear Quarter Courtesy Lamps—Catalina 9-Pass. Safari has Instrument Panel and Rear Compartment Courtesy Lamps. Instrument Panel Courtesy Lamp is standard on Catalina Convertible, all Bonneville and Grand Prix. (F,D)

PROTECTION [code 062] GROUP

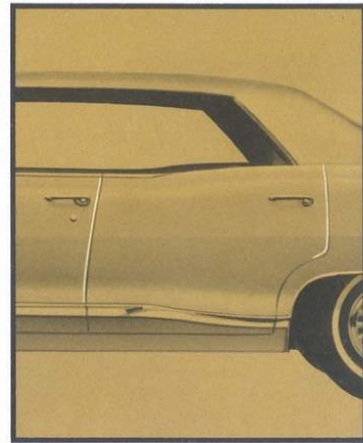

Catalina/Star Chief/Bonneville/Grand Prix

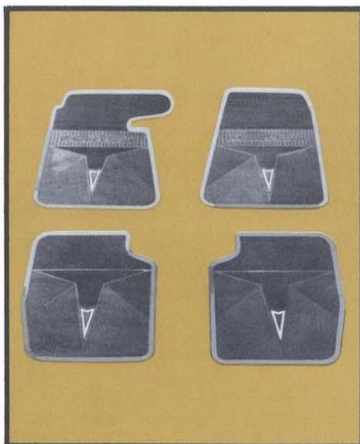

Custom Front Seat Belts with Retractor (Code 624) . . . outboard belts retract into compact housing when not in use, extend to needed length when in service. 7 new colors harmonize with interiors. New buckles feature bright-metal finish, greater locking-unlocking ease and great holding power. (F) **Rear Seat Belts** are available as dealer-installed option only. (D)

Instrument Panel Pad (Code 424) . . . resilient, smartly designed and finished in beautiful, durable vinyl to harmonize with interior color scheme. (Standard on Bonneville, Grand Prix, and all models with Air Conditioning.) (F,D)

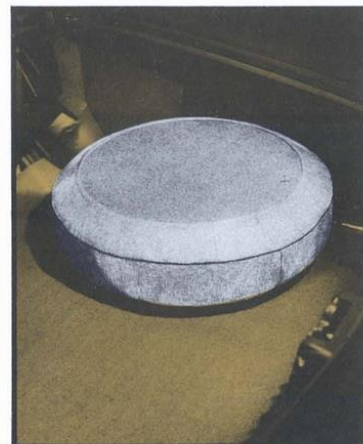

Door Edge Guards (Code 512). Pontiac's new, bright, narrow stainless steel strips help prevent nicks and scratches on door edges—preserve exterior finish without detracting from Pontiac's beautiful lines. (F,D)

Floor Mats, Front and Rear (Code 633). Help keep both front and rear floor looking new by protecting carpet, especially in bad weather. Easily removed for washing. Available in 9 colors that harmonize with interiors. (F,D) **Front Mats only, (Code 631).** (F,D)

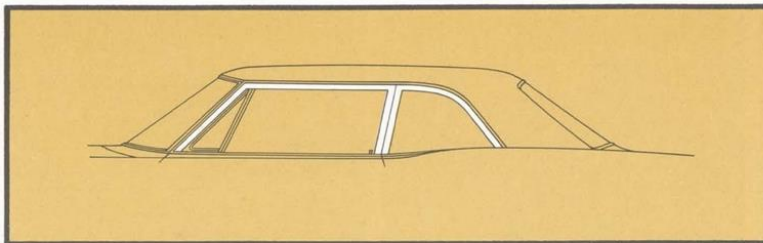

Rear Window Defogger (Code 541) . . . blower under rear package shelf directs air through grille to rear window for clearer view. (Not available on Safaris or convertibles.) (F,D)

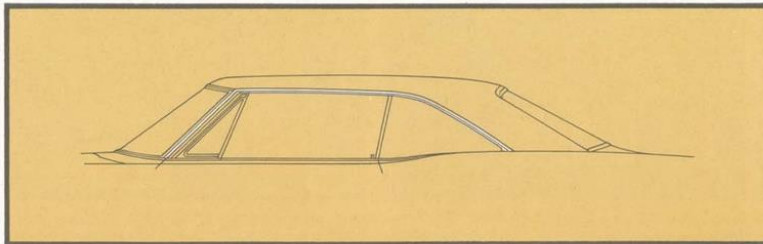

Spare Tire and Wheel Cover (Code 572) . . . protects luggage and other articles from soiling, marring, scratching; slips on and off easily. Standard on Star Chief, Bonneville and Grand Prix. Available on all Catalina models except Safari. (F,D)

DECOR GROUP [code 064]

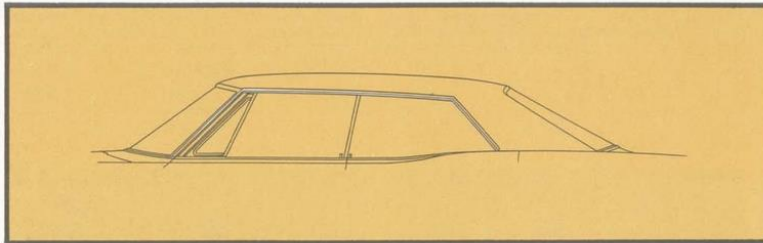

Catalina

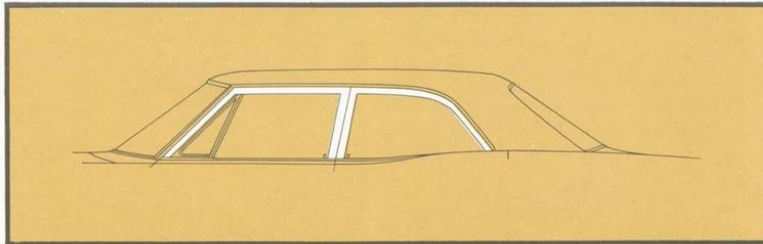

Catalina 2-Door Sedan Custom Exterior Trim (Code 464). Features bright metal door and rear-quarter window frame mouldings as well as rear-belt finish moulding. (F)

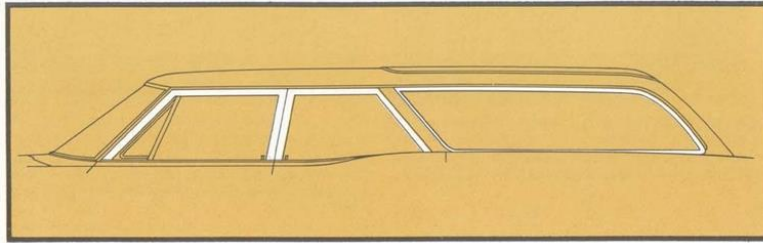

Catalina Sports Coupe Custom Exterior Trim (Code 464). Features a bright metal roof-drip scalp moulding along edge of roof. (F)

Catalina 4-Door Vista Custom Exterior Trim (Code 464). Features a bright metal roof-drip scalp moulding along edge of roof. (F)

Catalina 4-Door Sedan Custom Exterior Trim (Code 464). Features bright metal front and rear door window frame mouldings as well as rear-belt finish moulding. (F)

Catalina 6- and 9-Passenger Safari Custom Exterior Trim (Code 464). Features bright metal door window-frame and rear-quarter window-frame moulding. (F)

Custom Exterior Trim varies with body style as indicated above and is available only as part of Decor Group 064.

Deluxe Steering Wheel (Code 461) . . . all new, redesigned and restyled, featuring a horn activator bar recessed into each of the two wheel spokes. Standard on Star Chief, Bonneville and Grand Prix; optional on Catalina. (F,D)

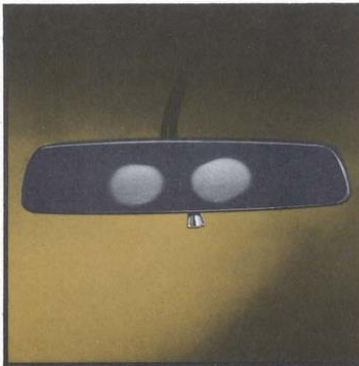

Deluxe Wheel Discs (Code 462) . . . chrome-flashed stainless steel. Redesigned with deep center section and all-new appearance of a stronger, bolder wheel. Standard on Star Chief, Bonneville and Grand Prix; optional on Catalina. (F,D)

MIRROR [code 081] GROUP

Catalina/Star Chief/Bonneville/Grand Prix

Remote-control Outside Mirror (Code 444) . . . restyled for 1965 and mounted on door to provide a greater field of vision—safer! Easily adjusted from inside car. Front surface chrome-plated to assure sharp, clear image and prevent blurring or ghosting. (F,D)

Non-glare Inside Rearview Mirror (Code 442) . . . has special finger knob to permit easy adjustment to non-glare or nighttime driving position. (F,D)

Visor Vanity Mirror (Code 441) . . . a greatly appreciated item in any car. Securely mounted to back of visor, ready for use any time. Out of sight when not in use. Ideal for checking makeup, combing hair, etc. (F,D)

INDIVIDUAL OPTIONS & ACCESSORIES

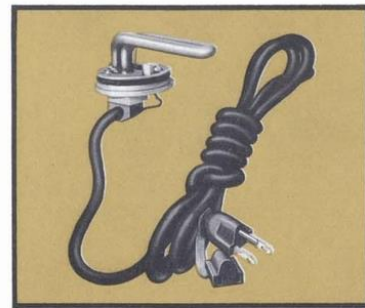

Catalina/Star Chief/Bonneville/Grand Prix

Automatic Temperature Control Air Conditioning (Code 581). Dial on instrument panel lets you preset desired comfort level. Automatic control maintains comfort regardless of weather. At any temperature over 35°F., removes excess moisture from air limiting window fogging. (F)

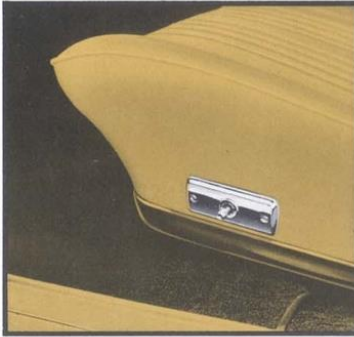

Tri-Comfort Air Conditioner (Code 582). Manually controlled, combined with Circ-L-Aire heater. Full range of comfort control for any weather. (Tri-Comfort means control of heat, cold, humidity.) Air flow substantially increased, with about 20% more cooling air available to passengers. New individual shut-off valves at side air outlets. (F)

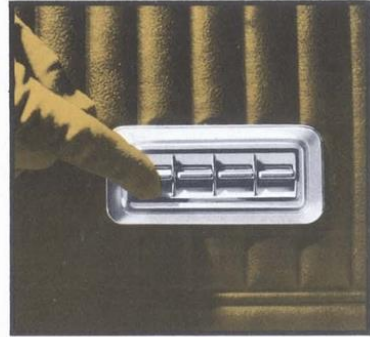

Engine Block Water Heater. Electric pre-heater for engine coolant helps provide fast starts, quick heater action in severe cold. Overnight, single unit raises engine coolant from 0°F. to 50°F., dual unit to about 90°F. Plugs into cord from standard house outlet. (D)

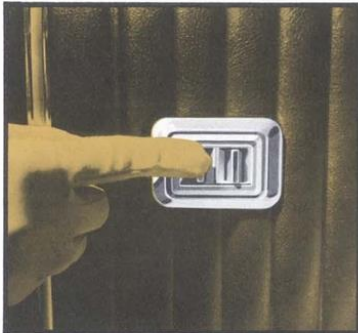

Power 6-Way Seat (Code 561) . . . redesigned for added stability in unlimited seat positions for greater comfort and safer driving. Available full-width front seat only. (F)

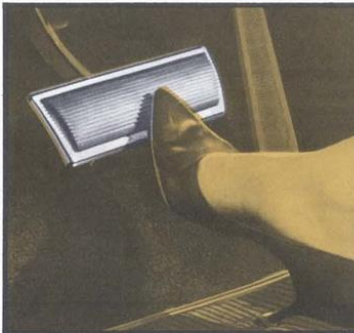

Power Seat Adjuster for Driver's Bucket Seat (Code 564) . . . moves seat forward and backward, raises and lowers rear of seat to unlimited positions for safer driving and comfort. (F)

Power Window Lifts (Code 551) . . . automatically operate all vertically opening windows from a single control panel at the driver's side. Individual control buttons near each window. (F)

Power Operated Vent Windows (Code 552). Control side vent windows. Available only with Power Window Lift, only on Bonneville and Grand Prix. (F)

"Wonder-Touch" Power Brakes (Code 502) . . . positive braking and car control with light touch of toe, but feel of control is still there. Now includes bright metal trim plate on all pedals when factory installed. (F,D)

"Wonder-Touch" Power Steering (Code 501) . . . drive, turn, park with ease. One to two pounds effort sufficient for steering, yet retains feel of control. (F,D)

Rear Deck Lid Release (Code 451). Lets you open trunk from driver's seat without removing key from ignition. Push-button control located inside glove box. Trunk may also be opened by key. All models except Safari. (F,D)

Electro-Cruise System (Code 514). Automatically maintains driver-selected car speed. When automatic feature is not used, signals when pre-selected speed is reached or exceeded. Also gives low fuel warning. Available only with Turbo Hydra-Matic. (F,D)

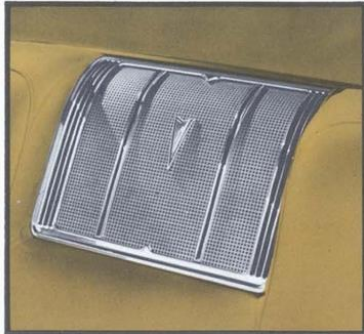

Safeguard Speedometer & Fuel Warning Lamp (Code 634). Warns of excess speed and low fuel. Control knob lets you select desired speed limit. Buzzer and light signal you when car exceeds this speed. (F)

INDIVIDUAL OPTIONS & ACCESSORIES

Catalina/Star Chief/Bonneville/Grand Prix

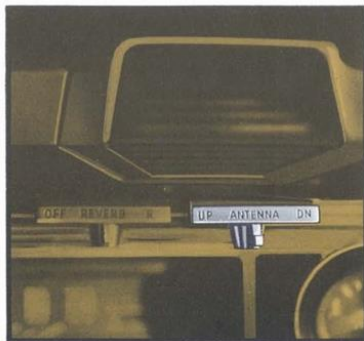

Verbra-Phonic Rear Speaker System (Code 474). Fine stereo-quality listening. Brilliant tone simulates acoustics in auditorium. 3-step switch lets you play through front, rear or both speakers. All models except Safari. (F,D)

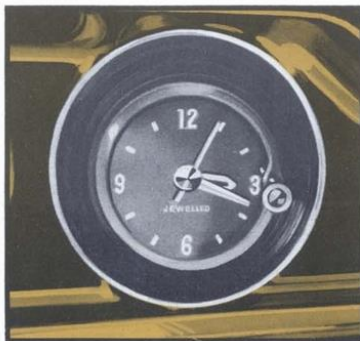

Separa-Phonic Rear Speaker (Code 401) . . . brilliant tone and depth control. 3-step switch lets you play front, rear or both speakers. (Convertible speaker grille shown.) (F,D)

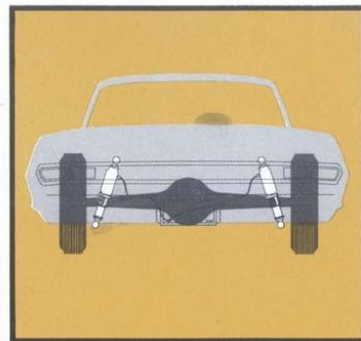

Push-button AM-FM Radio (Code 394) . . . offers unlimited listening enjoyment on both FM and AM frequencies. New AM-FM radio is completely transistorized. Push buttons can be set to AM or FM or combination of both. A radio set of unusually fine quality and fidelity of sound for those who appreciate music while they drive. (F,D)

Electric Power Antenna (Code 391). Available only with AM-FM or Super Deluxe Radio. Raised or lowered by switch on instrument panel. Mounted on right rear fender on all models. (F,D)

Electric Clock (Code 604) . . . features a sweep second hand and special built-in automatic self-regulator. Illuminated dial for easy night reading. (Catalina only.) (F,D)

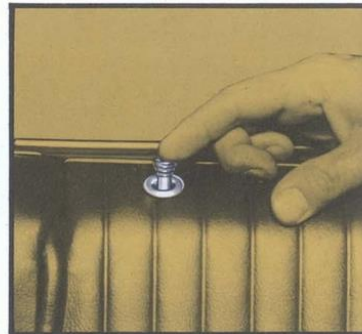

Superlift Shock Absorbers (Code 622). Help maintain level ride when trunk or trailer-tongue loads are extra heavy. Adjustable air spring is built into rear shock absorber. Tire-type air-filler valve. (F,D)

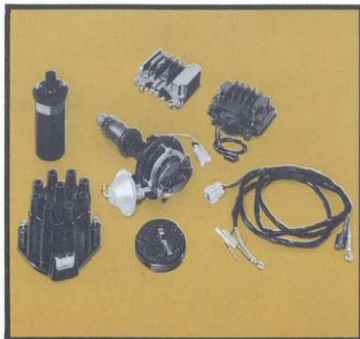

Custom Sports Steering Wheel (Code 524) . . . new symmetrical design with three equally spaced stainless steel spokes. Optionally available on all Pontiac models and can be ordered with tilt wheel. (F,D)

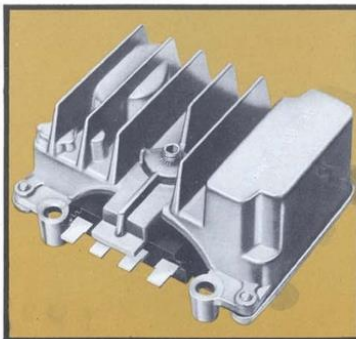

Rear Door Safety Lock (4-door models only) . . . prevents children from opening rear door. Once lock button is pushed down, rear doors cannot be opened without inserting a key into lock button. (D)

Power Door Lock System (Code 402) . . . driver's door lock button controls all door locks. When it is locked or unlocked, all other door locks follow suit. Other doors may be operated manually from inside independently. (F)

Full Transistor Ignition System (Code 671). For all premium-fuel engines, all series. Provides ignition without condenser or mechanical contacts. Combines increased electrical output at high speeds with greater ignition stability and longer spark plug life. (F)

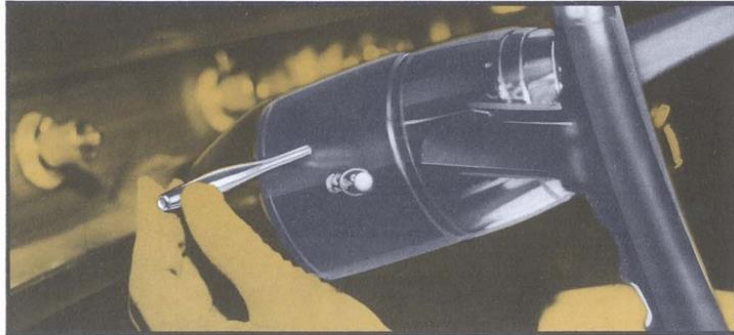

Full Transistor Voltage Regulator (Code 662). Increases life of battery, provides better voltage regulation. No moving parts. No breaker points. Standard on all models with transistor ignition or heavy-duty 62 amp. alternator or air conditioning. (F)

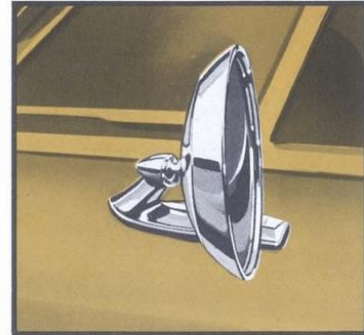

Tissue Dispenser . . . holds a regular-size Kleenex box. Mounts under instrument panel. Swings out for use, swings back when not needed. (D)

INDIVIDUAL OPTIONS & ACCESSORIES

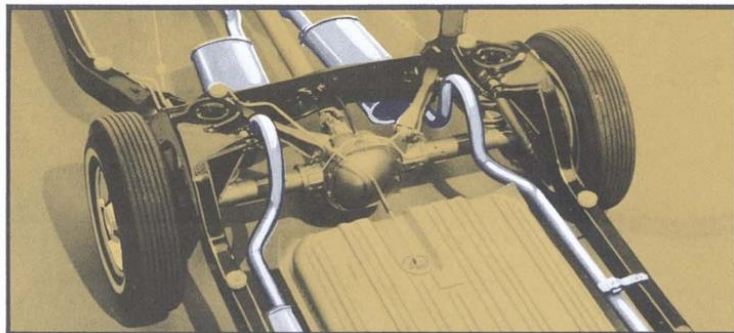

Catalina/Star Chief/Bonneville/Grand Prix

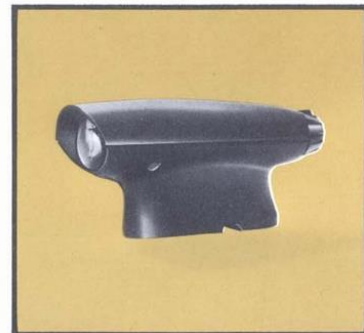

New Tilt Steering Wheel (Code 454) . . . easily adjusts to 7 different positions to meet individual requirements. Increases steering comfort, also permits easier entry and exit from car. (F)

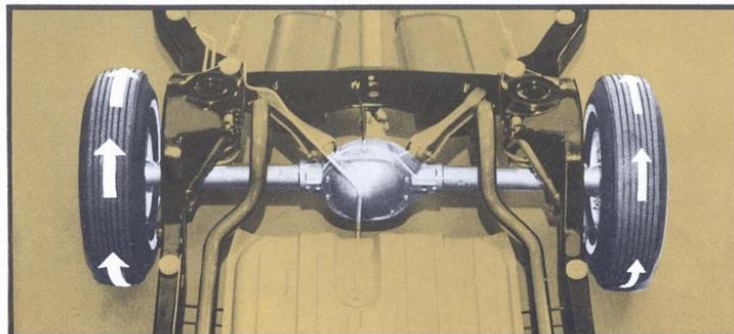

Outside Rearview Mirror (Code 602) . . . its chrome reflecting glass gives a sharp, clear view, eliminates ghosting and blurring. Smartly styled, easily adjusted. (F,D) Matching right-hand side mirror available. (D only)

Dual Exhausts (Code 511) . . . cuts down back pressure in the exhaust system, adds to efficiency. Standard on Grand Prix and with 421 and 421 HO engine options, available on all other models. (F)

Guide-Matic Headlamp Control . . . automatically dims or flicks up bright lights when needed. "Safety-Salute" signals oncoming drivers in a courteous but urgent manner. Perfect for nighttime driving. (D)

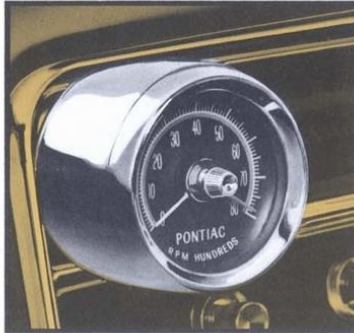

Safe-T-Track Differential (Code 701) . . . new design assures adequate pull when very low traction is encountered at one wheel. Also provides smoother transfer of torque from one rear wheel to another. (F)

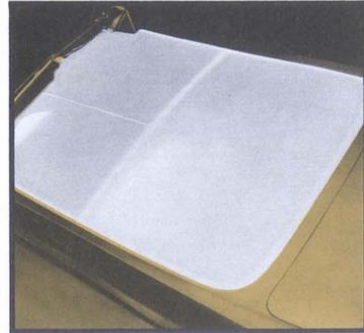

Custom Gauge Cluster (Code 504) . . . gives more complete engine information, with oil pressure and water temperature gauges. On Catalinas, electric clock is mandatory. Not available with Electro-Cruise or Safeguard Speedometer. (F)

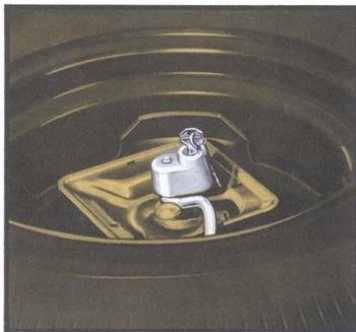

Spot Lamp . . . easily controlled from inside of car. Completely chromed for long-wearing durability. Great for reading road signs, house numbers, etc. at night. (D)

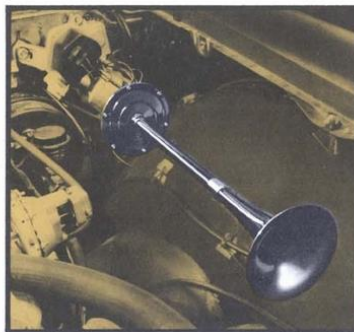

Tachometer (Code 452) . . . shows engine RPM's on new 250° dial. Enables you to maintain optimum driving performance and efficiency. (Standard on Grand Prix with opt. 4-spd. Manual Trans.) (F,D)

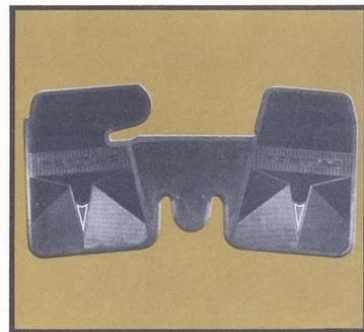

Tonneau Cover. Protects convertible interior when top is down. Sturdy vinyl cover snaps off or on in a jiffy. Can be left on when driver is alone in car. (D)

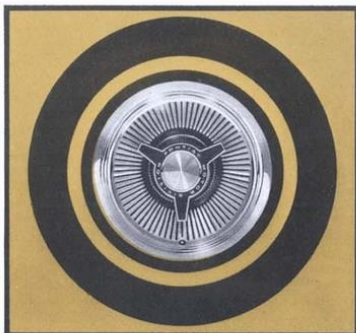

Spare Tire Lock. Prevents theft of spare tire and wheel in trunk. (D)

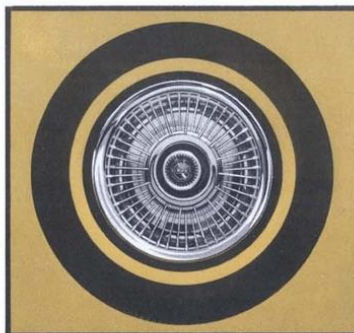

Auxiliary Trumpet Horn . . . supplements standard horns. Gives a more pleasing and commanding signal. Especially valuable on turn-pikes and open roads. 18 in. trumpet horn mounts under hood on left side. (D)

Full-width Floor Mat (front only). Long-lasting, easily removed for cleaning. Available in 9 colors to complement interiors. Extends over center hump. (D)

Custom Wheel Discs (Code 521) . . . give your Pontiac the well-dressed look. Made of chrome-flashed stainless steel, with a three-prong die-cast spinner. (F,D)

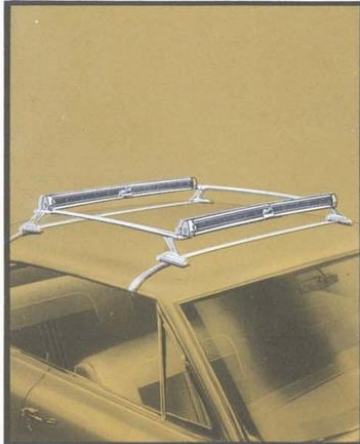

Wire Wheel Discs (Code 411) . . . for you who want a special flair and a sports car look. Elegant, gleaming wire spokes are boldly styled and structurally strong. They add a luxurious personal touch that's all your own. (F,D)

Aluminum Wheels and Brake Drums (Code 691) . . . distinctive one-piece aluminum wheel hub and brake drum bonded to cast iron braking surface . . . virtually immune to brake fade. (F)

INDIVIDUAL OPTIONS & ACCESSORIES

Catalina/Star Chief/Bonneville/Grand Prix

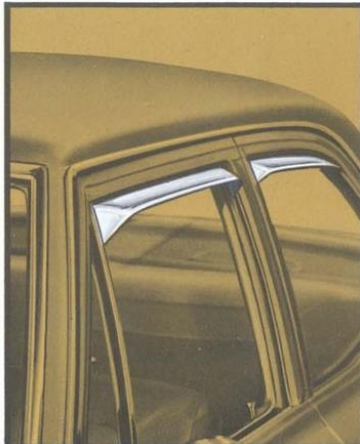

Roof or Deck Lid Ski Carrier . . . can be installed or removed in a few moments. Includes key lock for security. Available all models. (D)

Gas Cap Lock. (Safaris only). Prevents fuel theft, damaging pranks. Separate key. (D)

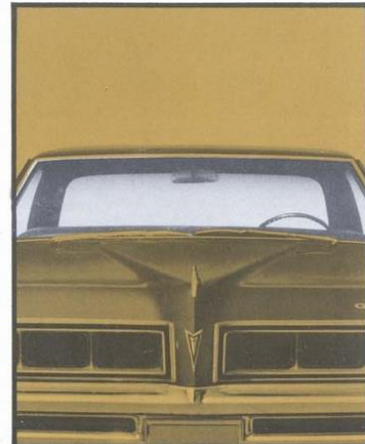

Luggage Carrier Cover. Water and dust-resistant fabric protects luggage. Side opening can be locked. Cover folds flat when not in use. Easily attached to Safari Chrome Luggage Carrier (Code 571). (D)

Ventshades . . . fit snugly over top of side windows. Help protect occupants from sun and rain when windows are opened slightly. (D)

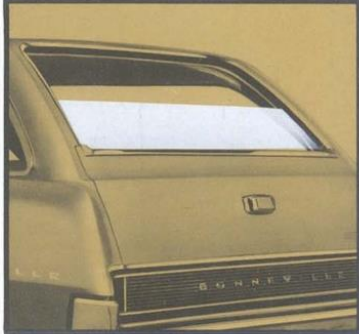

Cushion Topper . . . gives extra protection to that much-used front seat . . . adds to comfort. Soft foam rubber pad covers entire seat cushion. 7 colors available to match interior. (D)

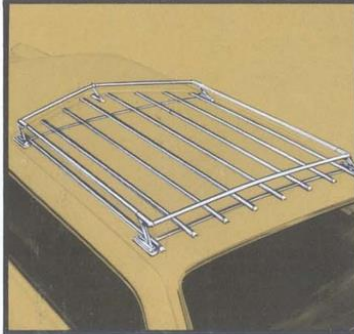

Soft-Ray Glass (Code 531) . . . all windows fully tinted safety plate glass with the upper windshield area shaded. Sun and headlight glare are reduced . . . car is cooler. (F) Also available for windshield only (Code 532). (F)

SAFARI ACCESSORIES

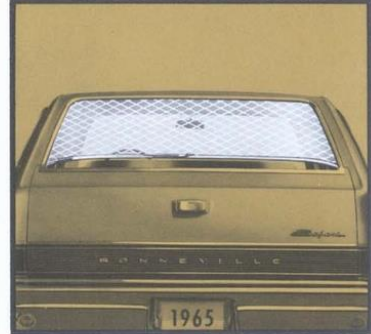

Catalina/Bonneville

Power Tailgate Window (Code 554) . . . conveniently located switch raises or lowers tailgate window with the touch of your finger . . . makes it easier to open tailgate, too. Standard on Catalina 9-Passenger Safari. (F)

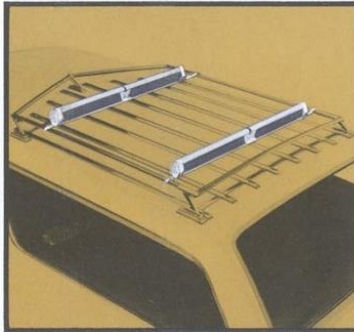

Chrome Luggage Carrier (Code 571). Handsome, sturdy. Carries a lot of luggage, allows extra passenger space inside. Handy side rails provide perfect tie-down. Permanently installed on Safaris. (F,D)

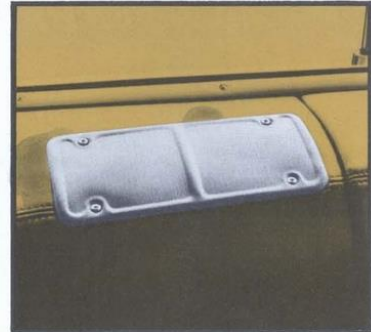

Tailgate Window Screen. Lets you keep the tailgate window open, screens out bugs. Made of fine reinforced mesh. Held in place by raising window part way. (D)

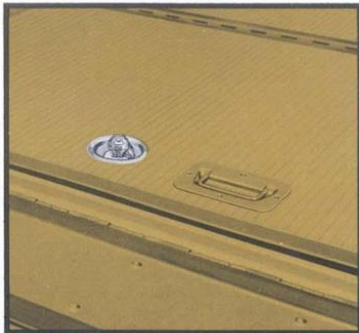

Rear Door Window Screens. Great for campers, or motorists with children or pets. Attached permanently to inner rear door window frames. Door window glass may be raised or lowered without removing screen. (D)

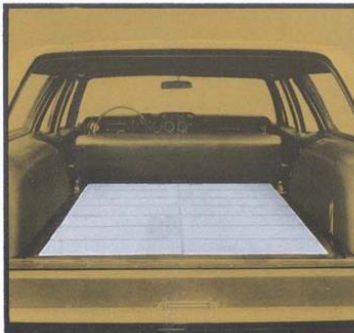

Removable Ski Carrier Adapter . . . attaches to Safari permanent luggage carrier in minutes, and you're off to the slopes. (D)

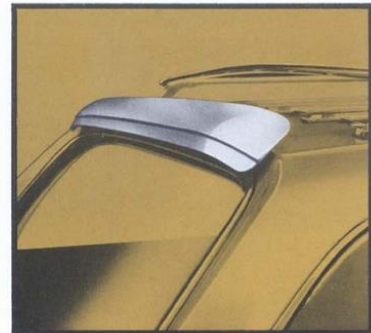

Separa-Phonic Rear Speaker (Code 401) . . . makes available fine concert-hall listening. Brilliant tone depth and control. Three-step switch lets you play either front, rear or both speakers. (F,D)

Luggage Compartment Lock . . . valuables in the rear load floor compartment are doubly safe when protected by this sturdy lock. 6-Passenger Safari only. (D)

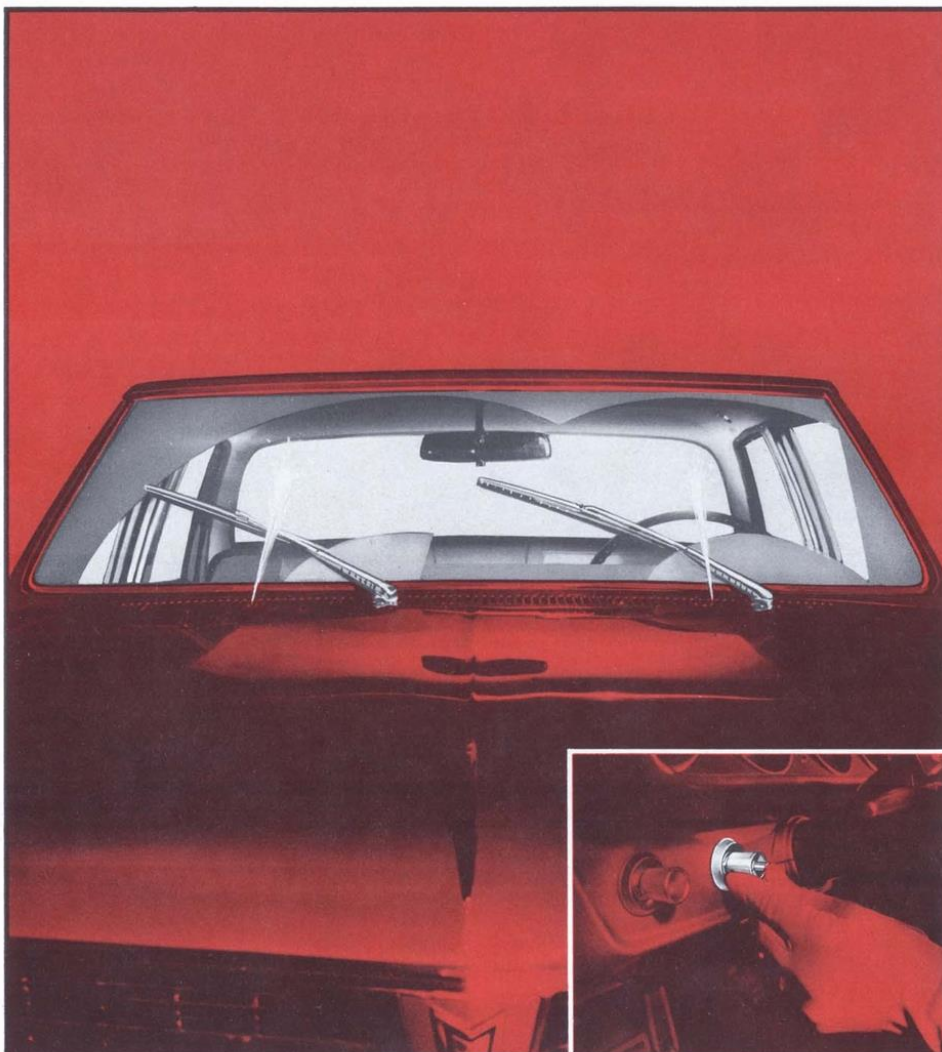

Rear Load Area Pad . . . an ideal item for trips with children. Doubles as beach pad. Pad is of durable, resilient coated fabric. Available in two-tone combinations of gray and aqua, mahogany and green or yellow and red. (D)

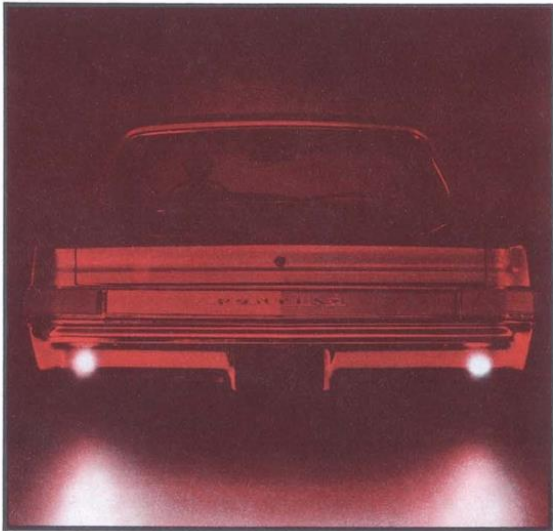

Safari Rear Window Deflector (Code 541). Horizontal metal vane directs airstream down to rear window, helps keep it free from dust. Also promotes quiet ventilation of Safari interior when cowl vents are open, all side windows closed and rear window down. (F,D)

BASIC GROUP [code 061]

Tempest/Tempest Custom/Le Mans

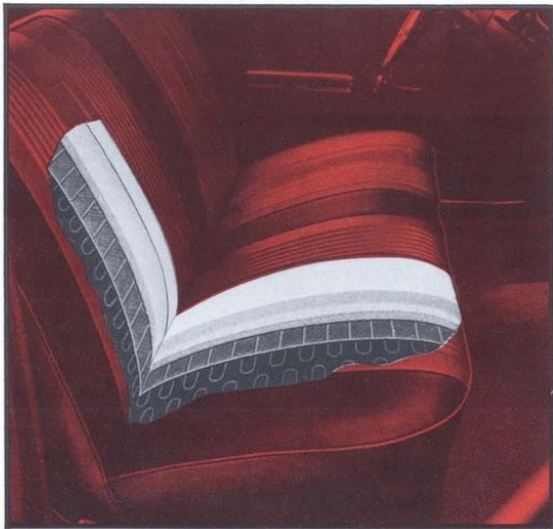

Windshield Washers and Dual Speed Wipers (Code 421). Wipers operate at two speeds. Washers operate from push button on instrument panel. Two jets of washer solution spray onto windshield. Extra-tough plastic jar for fluid. (F)

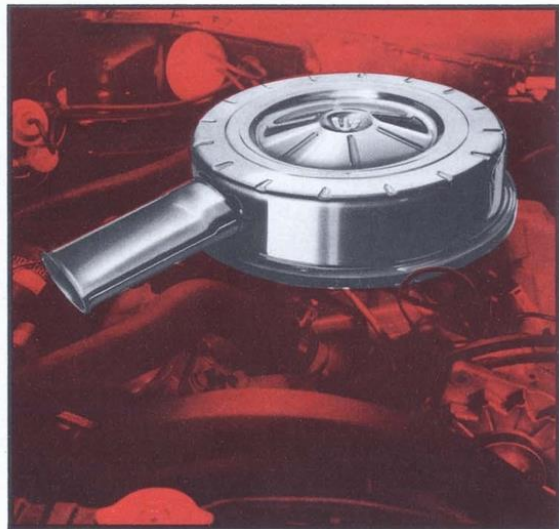

Backup Lamps (Code 471) . . . light up automatically as you shift into reverse. Illuminate area behind car to make backing up at night much easier, safer . . . warn pedestrians, other cars. (F,D)

Deluxe Push-button Radio & Antenna (Code 392). Refinements in circuit design bring superior tone and fidelity. Wider dial for more precise tuning. New shallow basket speaker is more compact while having same power and response. New oval antenna reduces wind noise. (F,D)

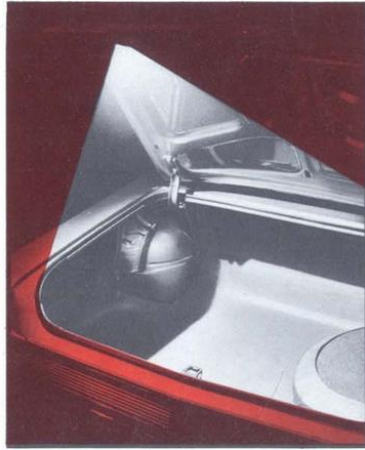

Custom Foam Seat Cushion (Code 412) . . . front only. Affords you the ultimate in driving, riding comfort. Custom lounge 1 $\frac{3}{4}$ " foam cushion floats you over the bumps . . . reduces annoying road shock . . . lets you enjoy your new Wide-Track more. (F)

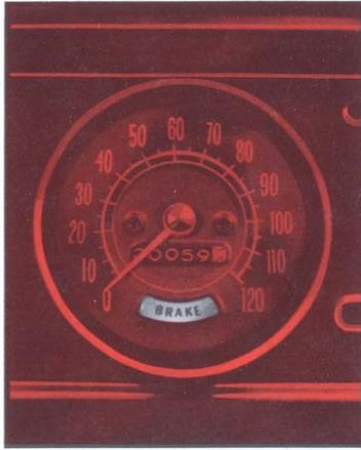

Heavy-Duty Air Cleaner (Code 431) . . . additional protection from harmful dust and dirt particles gives longer engine life. (Standard on the 326 HO V-8 and on GTO Option.) (F)

LAMP GROUP [code 084]

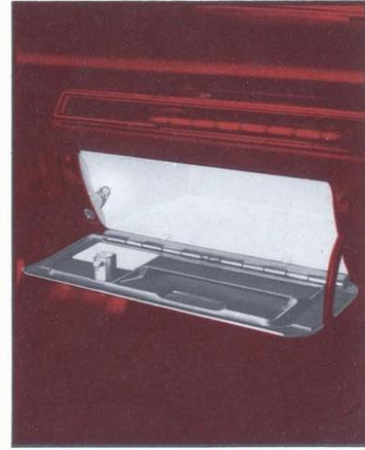

Tempest/Tempest Custom/Le Mans

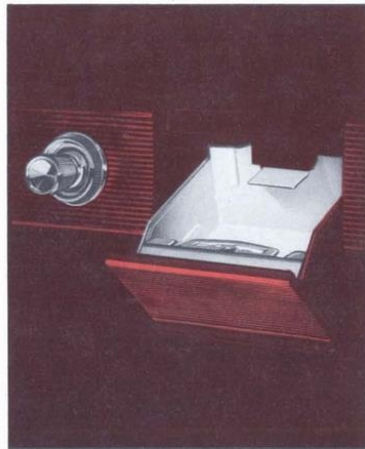

Luggage Lamp (Code 481) . . . automatically turns on when trunk is lifted (sedans and coupes only). **Under-hood Lamp (Code 404)** . . . automatically turns on when hood is opened. (D)

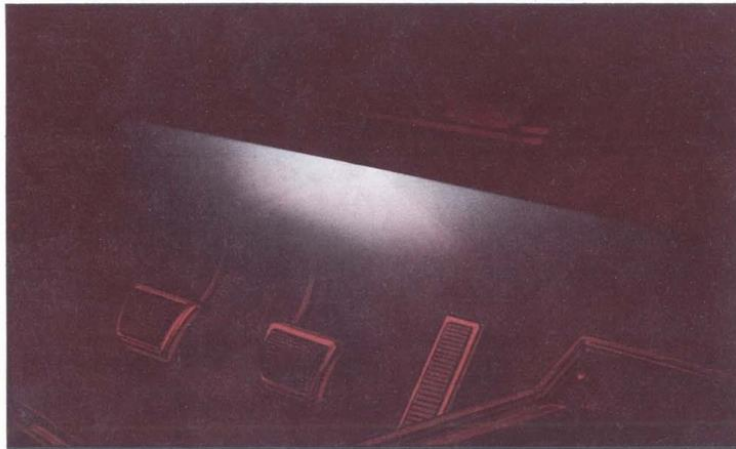

Parking Brake Warning Lamp (Code 494) . . . guards against driving with parking brake on. Light on instrument cluster displays bright red warning when ignition is turned on with parking brake set, continues until brake is released. (F,D)

Glove Compartment Lamp (Code 482) . . . lights automatically to help you find any item quickly and easily when glove compartment door is opened. (F,D)

Ashtray and Lighter Lamps (Code 492) . . . visible when ashtray is pulled out or when cigar lighter is removed. Lamp lights automatically when parking lights or headlights go on. (F,D)

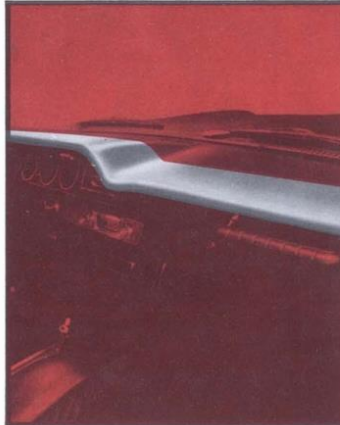

Courtesy Lamp (Code 491) . . . driver and passengers enter and leave car more conveniently at night . . . lamp flashes on when front door is opened. Can be operated manually by headlamp switch on instrument panel. (F,D)

PROTECTION [code 062] GROUP

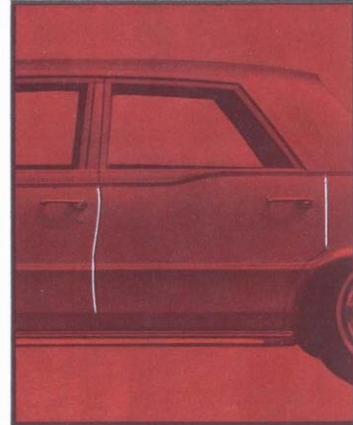

Tempest/Tempest Custom/Le Mans

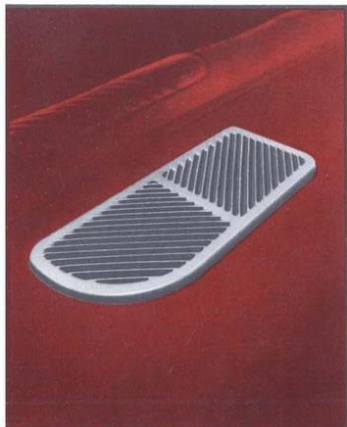

Custom Front Seat Belts with Retractor (Code 624) . . . outboard belts retract into compact housing when not in use, extend to needed length when in service. 7 new colors harmonize with interiors. New buckles feature bright metal finish, greater locking-unlocking ease and great holding power. (F) Rear Seat Belts are available as dealer-installed option only. (D)

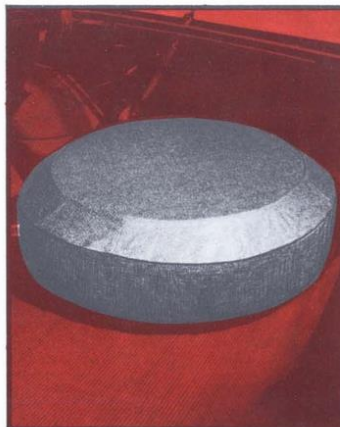

Instrument Panel Pad (Code 424) . . . new design, new styling . . . in beautiful, durable Morrokide to harmonize with interior. Pad is cushioned with resilient, long lasting foam. (F)

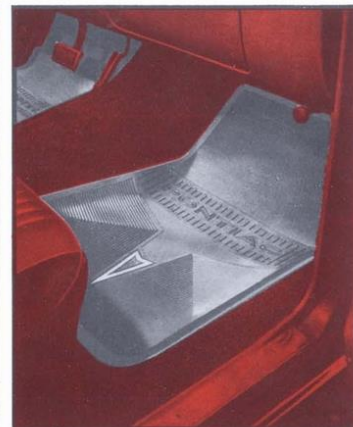

Door Edge Guards (Code 512) . . . Pontiac's narrow design helps prevent nicks and scratches on door edges yet does not interfere with sleek exterior appearance. (F,D)

Rear Window Defogger (Code 541) . . . blower under rear package shelf directs air through grille to rear window for clearer view. (Not available on convertible or Safari.) (F,D)

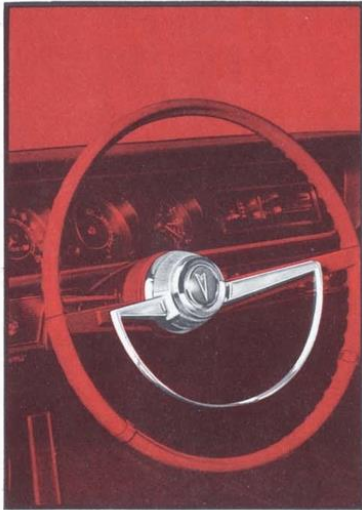

Spare Tire and Wheel Cover (Code 572) . . . protects luggage from becoming marred or damaged, slips on and off easily. Dresses up luggage compartment. (All models except Safari.) (F,D)

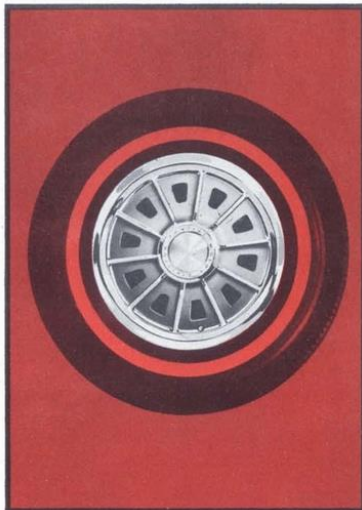

Floor Mats, Front & Rear (Code 633). Protect both front and rear floor covering against soil and wear. Especially useful during bad weather. Easily removed for washing. Available in 9 colors that harmonize with interiors. (F,D). Front only (Code 631). (F,D)

DECOR GROUP [code 064]

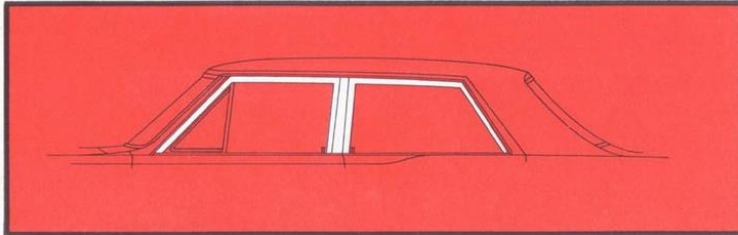

Tempest/Tempest Custom

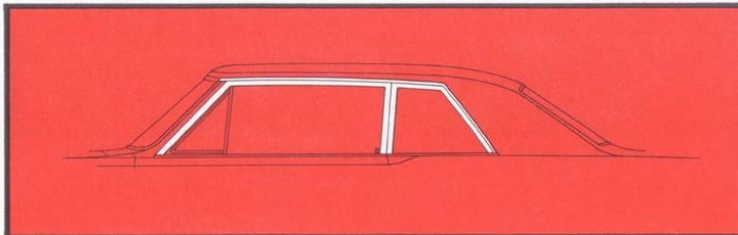

Deluxe Horn Ring (Code 461) . . . in lower half of steering wheel is attractive, squared off aircraft-type design to enhance beauty of new solid opaque through-color plastic wheel. Standard equipment on Tempest Custom and Le Mans series. (F,D)

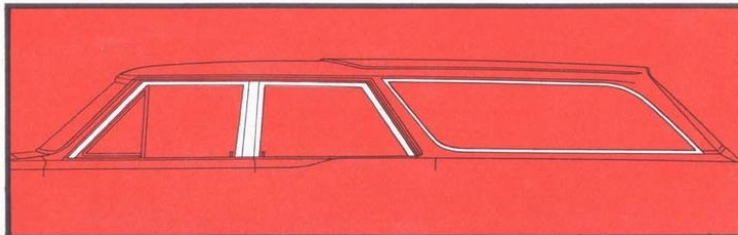

Deluxe Wheel Discs (Code 462) . . . new design has slotted ribs recessed to the base of the hub. (F,D)

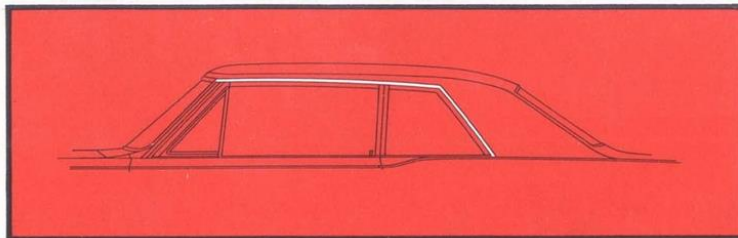

4-Door Sedans (Code 464). Door window frame scalp mouldings. (F)

Sports Coupes (Code 464). Roof drip scalp, door and quarter-window frame scalp mouldings. (F)

Safaris (Code 464). Door and quarter window frame scalp mouldings. (F)

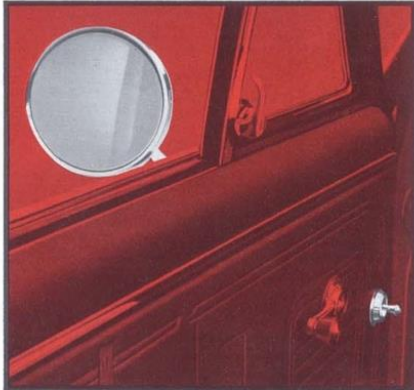

Hardtop Coupe (Code 464). Roof drip scalp mouldings. (F)

The four exterior trim options shown above are available only in Decor Group 064, factory installed. They cannot be ordered individually. Not available on Tempest Custom or Le Mans Convertibles. Standard on other Le Mans models.

MIRROR [code 081] GROUP

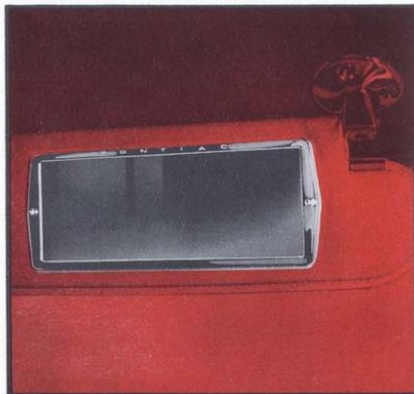

Tempest/Tempest Custom/Le Mans

**Remote-control
Outside Mirror (Code 444)**
... mounted on door for maximum rear visibility—controlled from inside the car—especially appreciated when more than one person drives the same car. Simple control knob lets you make any adjustment desired. (F,D)

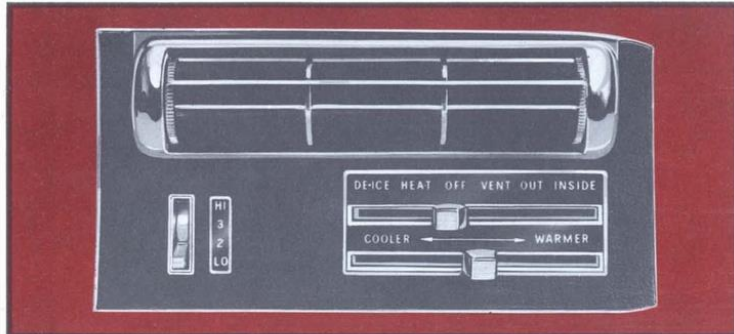

**Non-glare Inside
Rearview Mirror (Code 442)**
... has special finger tab to permit easy adjustment to non-glare or nighttime driving position. (F,D)

**Visor Vanity Mirror
(Code 441)** ... an appreciated item in any car. Securely attached to back of visor. Out of sight when not in use. Ideal for checking makeup, combing hair, etc. (F,D)

INDIVIDUAL OPTIONS & ACCESSORIES

Tempest/Tempest Custom/Le Mans

Tri-Comfort Air Conditioner (Code 582). Combined with the Circ-L-Aire Heater, provides a full range of comfort control over heat, cold and humidity—that's why it's called "Tri-Comfort." Controls have been simplified and are power operated for easier operation. Low speed cooling—important in slow traffic driving—has been substantially improved. Air is distributed from five adjustable air outlets on instrument panel. (F,D)

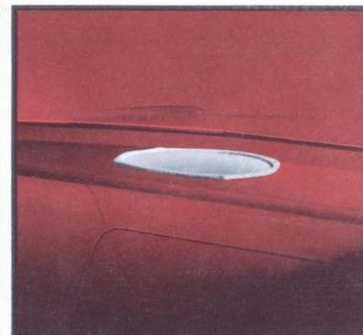

AM-FM Radio (Code 394). Completely transistorized. Push buttons can be set to AM or FM or combination of both. Unusual fidelity of sound for those who appreciate music. (D)

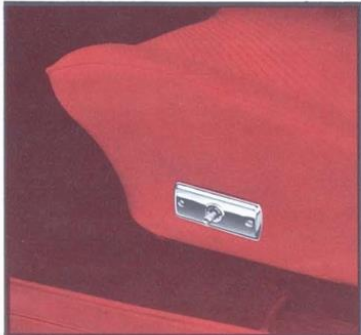

Manual Control Radio and Antenna (Code 398). Refinements in circuit design provide superior tone quality and fidelity. Wider dial width for more precise tuning. New oval antenna reduces wind noise. (F,D)

Verbra-Phonic Rear Speaker System (Code 474). Delays sound from rear speaker a fraction of a second, to simulate acoustics in an auditorium. 3-step switch on instrument panel plays through front, rear or both speakers. (All models except Safaris and convertibles.) (F,D)

Separa-Phonic Speaker (Code 401) . . . brings concert-hall sound to your car. Brilliant tone depth and control. 3-step switch lets you play through front, rear or both speakers. (All models except Safaris and convertibles.) (F,D)

Power Tilt Front Seat (Code 564, Left Bucket Seat only) (Code 561, Bench Seat). Moves seat forward and back, raises and lowers front seat for safer driving and comfort. (F)

Power Window Lifts (Code 551) . . . for automatic control of all vertically opened windows from single control on door trim at driver's position. Individual controls at each window. (F)

Tempest Power Brakes (Code 502) . . . positive braking and car control with a light touch of the toe. Braking is easier, but feel of control is still there. (F,D)

Power Steering (Code 501) . . . drive and park with almost effortless ease, yet feel of control is still there. (F,D)

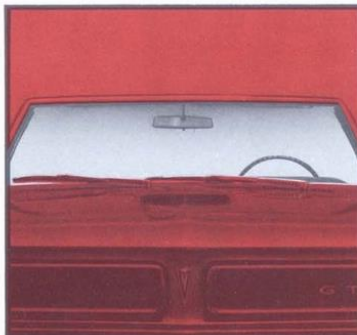

Cushion Topper . . . gives extra protection to that much-used front seat, adds to comfort. Soft foam rubber pad covers entire seat cushion. Available in 7 interior-matching colors. (D)

Tonneau Cover. Protects convertible interior when top is down and car is parked. Sturdy vinyl cover snaps off or on in a jiffy. Can be left on when driver is alone in car. (D)

Power Convertible Top (Code 434) . . . take top down or put it up without leaving driver's seat. Control on instrument panel. Available Tempest Custom only. (Std. on Le Mans Convertible.) (F)

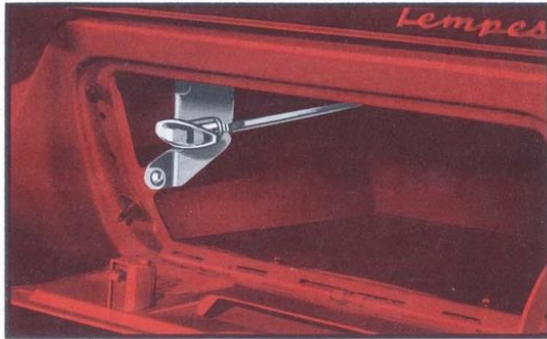

Soft-Ray Glass (Code 531) . . . all windows fully tinted for reduced glare, with upper area of windshield shaded for added glare reduction. Reduced eyestrain permits safer driving and added comfort to all passengers. Also available windshield only (Code 532). (F)

Luggage Lamp (Code 481) . . . automatically turns on when trunk lid is lifted. Reflecting shade directs light to every area of trunk . . . frees hands for loading, unloading luggage. (F,D)

INDIVIDUAL OPTIONS & ACCESSORIES

Tempest/Tempest Custom/Le Mans

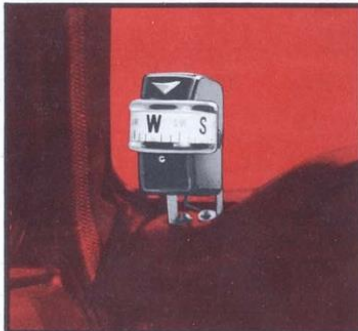

Rear Deck Lid Release (Code 451) . . . lets you open trunk from driver's seat without removing key from ignition. Trunk can be opened by key if so desired. Convenient for pickup service stops. All models except Safari. (F,D)

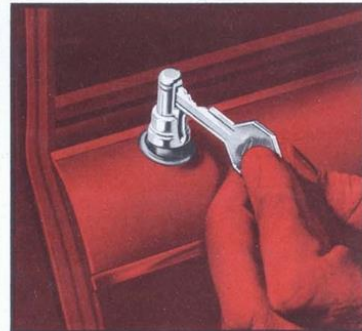

Dual Exhausts (Code 511) . . . available on the 326 V-8 engine. (Standard on the 326 HO V-8 and on GTO Option.) Cuts down exhaust back-pressure, adds to engine efficiency. (F)

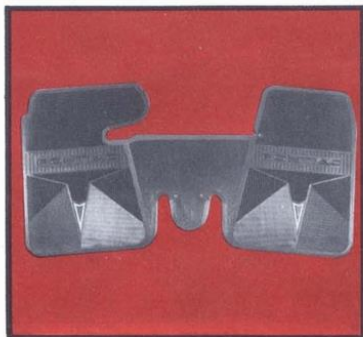

Dual Exhaust Splitters (Code 422) . . . two bright metal extension pipes are attached to the end of each outlet of the Dual Exhaust System. They enhance the "go!" look of a performance car. (F,D)

Car Compass . . . dependable, with special compensator for car use. Illuminated dial. (D)

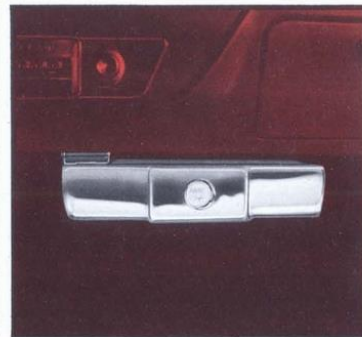

Rear Door Safety Locks (4-door models only) . . . prevent children from opening rear door. When lock button is pushed down, rear doors cannot be opened without inserting key in lock button. (D)

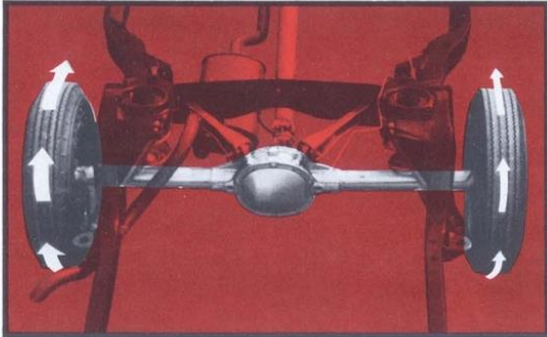

Full-width Floor Mat (front only) . . . extends over center hump, easily removed for cleaning. Attractively styled in 9 colors that complement Tempest interiors. (D)

Outside Rearview Mirror (Code 602). Beautifully styled. Chrome reflecting glass gives sharp, clear picture without ghosting or blurring. (F,D)

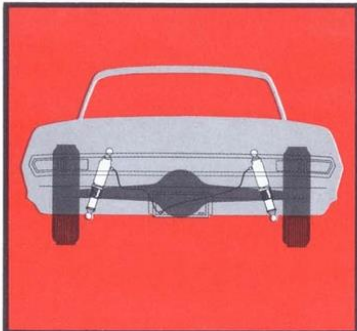

Tissue Dispenser. Holds a regular-size Kleenex box. Mounts under instrument panel. Swings out for use, swings back when not needed. (D)

Safe-T-Track Differential (Code 701) . . . design assures necessary amount of pull when very low traction conditions are encountered at one wheel. Also provides smooth transfer of torque from one rear wheel to another. (F)

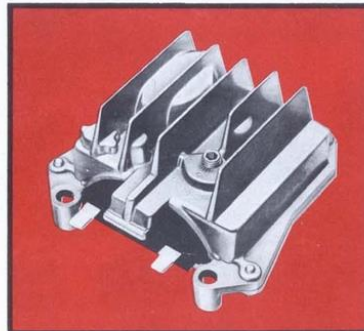

Tilt Steering Wheel (Code 454) . . . 7 different vertical positions easily selected to meet individual requirements. Maximum steering comfort, easier entry and exit from car. (F)

Superlift Shock Absorbers (Code 622). Help maintain level ride when trunk or trailer-tongue loads are extra heavy. Tire-type air-filler valve makes Superlift easy to re-adjust for normal loads. (F,D)

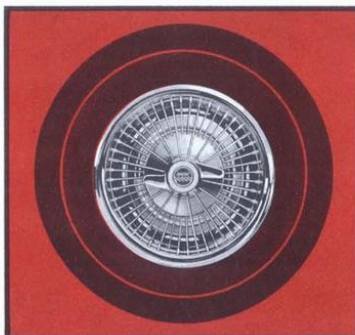

Full Transistor Ignition System (Code 671). Available all 8-cyl. prem. fuel engines. Provides ignition without metal contacts or condenser. Provides lifetime operation with longer spark life and quicker starting. (F)

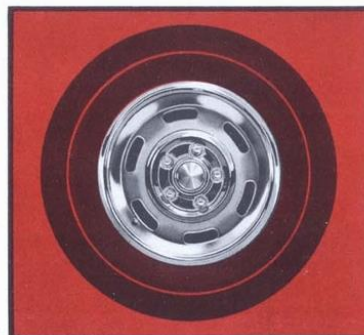

Full Transistor Voltage Regulator (Code 662). Increases battery life, provides more accurate voltage regulation. No moving parts. No breaker points. Std. on V-8 engines with transistor ignition or Air Conditioning. (F)

Custom Wheel Discs (Code 521). Fully cover the wheel. New design has die cast spinner. Discs are of bright chrome-flashed stainless steel and feature six large cooling slots. (F,D)

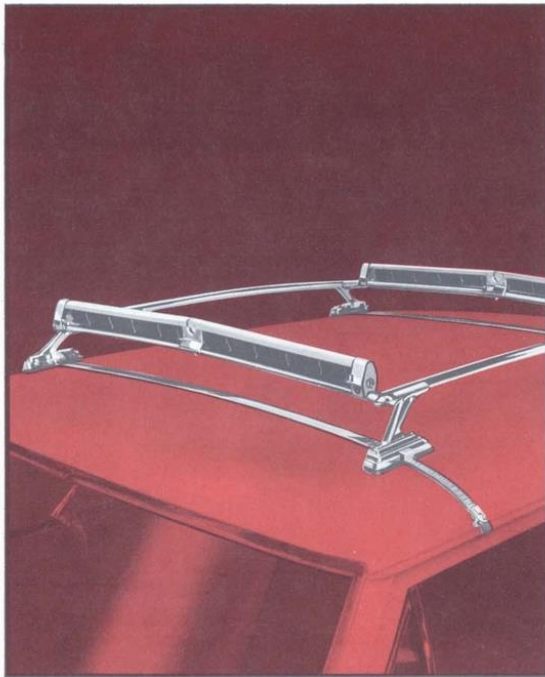

Wire Wheel Discs (Code 411) . . . give your Tempest a sports car look. Wire wheel discs are boldly styled, structurally strong and elegant. A must for the sports-minded driver. (F,D)

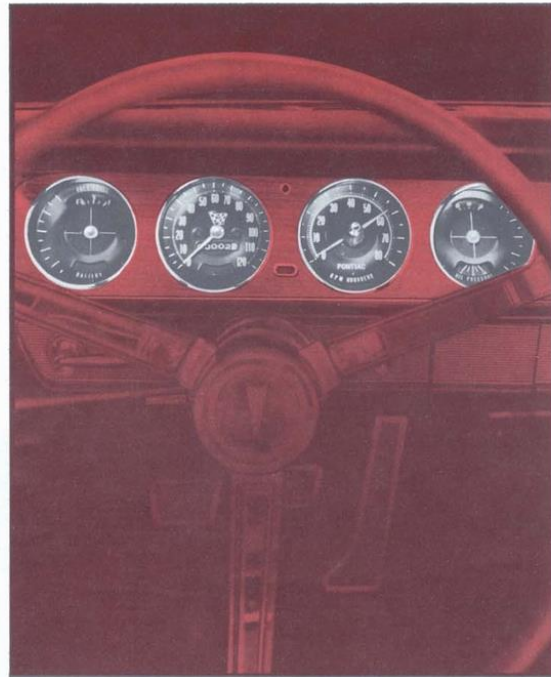

Rally Wheels (Code 691) . . . with special 7.75 x 14 tires only. Highly functional as well as extra sporty. Large openings provide maximum cooling for brakes. Includes stainless steel cap, chrome plated wheel nuts and stainless steel full trim ring. (F)

INDIVIDUAL OPTIONS & ACCESSORIES

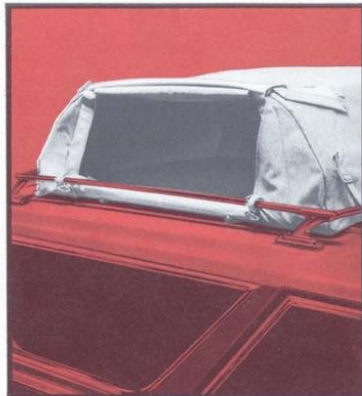

Tempest/Tempest Custom/Le Mans

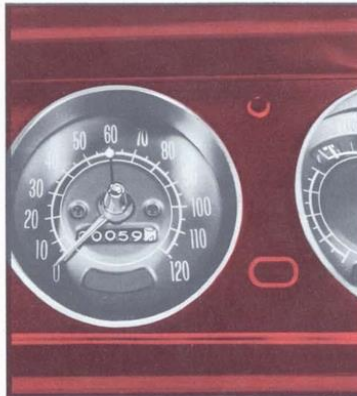

Roof or Deck Lid Ski Carrier . . . makes use of that empty space. Can be installed or removed in a few minutes. Available all models. (D)

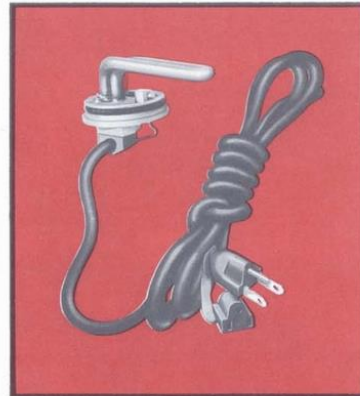

Rally Cluster (Code 504). Includes 250° sweep tachometer, speedometer, oil pressure and water temperature gauges—plus fuel indicator and battery tell-tale light. Tachometer not available without Cluster. (F) Electric Clock (Code 604) not available with Rally Cluster.

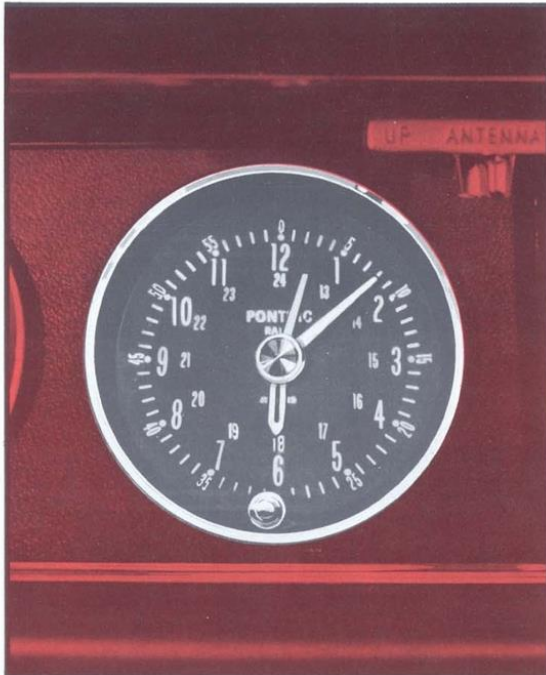

Luggage Carrier Cover. Water and dust-resistant fabric protects luggage. Side opening can be locked. Cover folds flat when not in use. Easily attached to luggage carrier. (D)

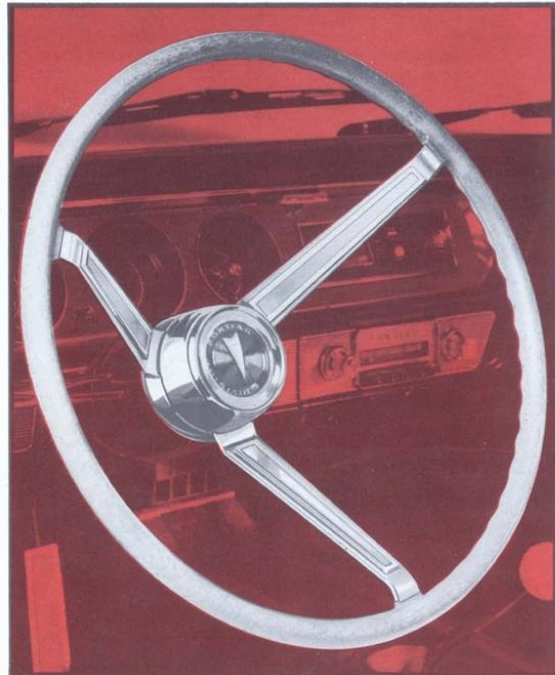

Safeguard Speedometer & Fuel Warning Lamp (Code 634). Warns of excess speed and low fuel. Control knob lets you select desired speed limit. Buzzer and light signal you when car exceeds this speed. Another light tells you when to refuel. Not available with Rally Instrument Cluster. (F)

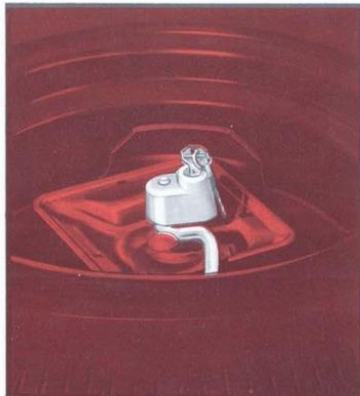

Engine Block Water Heater. Electric engine-coolant warm-up units are designed to provide fast starts and quick heater action in severe cold. Overnight, single unit raises engine coolant temperature from 0°F. to 50°F., dual unit to about 90°F. Plugs into cord from standard house outlet. (D)

Tempest Rally Clock (Code 604) . . . smartly restyled, features sweep second hand, built-in self-regulator and illuminated dial. (Note: Not available with Rally Cluster option.) (F,D)

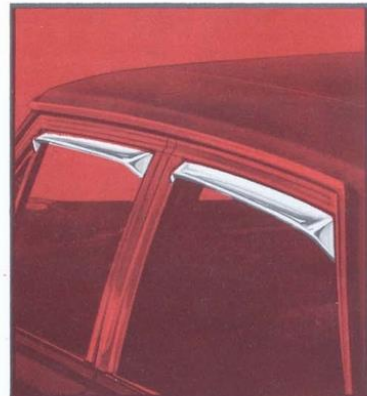

Custom Sports Steering Wheel (Code 524) . . . completely redesigned for 1965 to present a more symmetrical and pleasing appearance. Three equally spaced stainless steel spokes. Optionally available on all Tempest models, it can be ordered also when the tilt-wheel is selected. (F)

Spare Tire Lock. Prevents theft of spare tire and wheel in trunk. (D)

Gas Cap Lock, Safaris only. Prevents fuel theft, damaging pranks. Separate Key. (D)

Ventshades. Fit snugly over top of side windows. Add to appearance, help protect occupants from sun and rain when windows are opened slightly. (D)

SAFARI ACCESSORIES

Tempest/Tempest Custom

Power Tailgate Window (Code 554) . . . lets you raise or lower tailgate window by a simple touch of a finger. Control switch located within easy reach on lower left side of instrument panel. Permits circulation of air. (F)

Tailgate Window Screen. Heavy-gauge aluminum grid protects fine mesh screen. Screen fits into window channel, locks in place by raising window. Affords protection for children, dogs, etc., when tailgate window is open. (D)

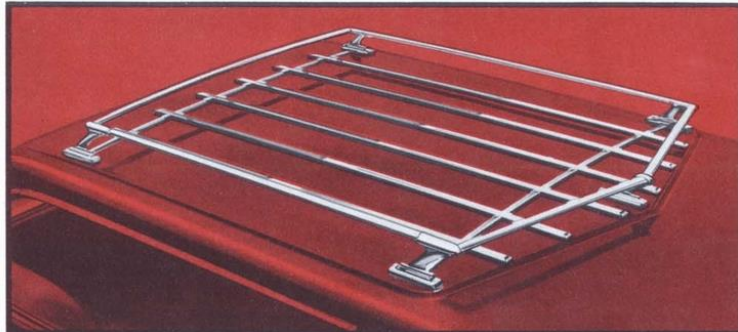

Rear Door Window Screens . . . for refreshing cross ventilation on hot days. Screen frames firmly attach to inner window frame of Safari. Windows may be raised or lowered while screens are in place. (D)

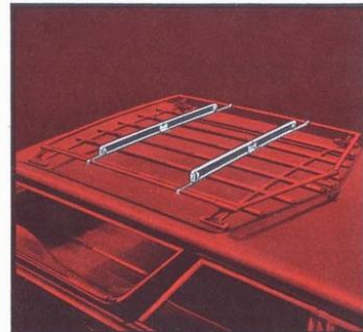

Rear Load Area Pad. Ideal for children. Durable coated fabric with resilient construction. Available in two-tone combinations of gray and aqua, mahogany and green or yellow and red. (D)

Safari Rear Window Deflector (Code 541). Directs airstream down toward rear window, helps keep it clean. Also promotes quiet ventilation with cowl vents open, side windows closed and rear window down about 5 in. (F,D)

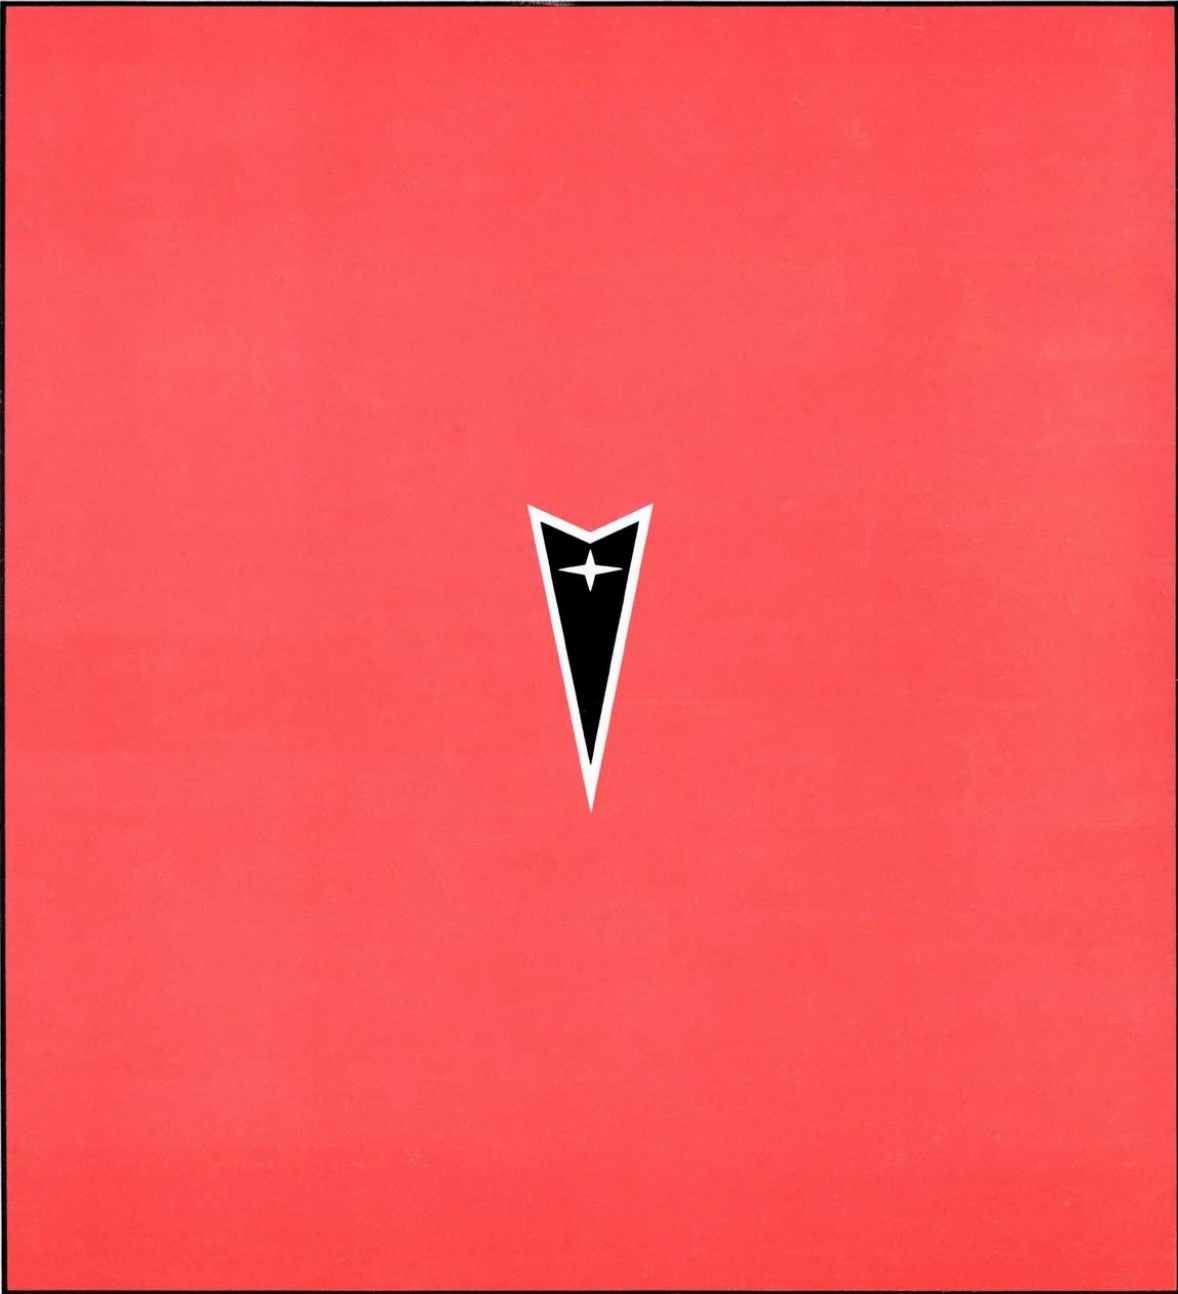

Chrome Luggage Carrier (Code 571) . . . increases the volume of cargo that can be carried by your Tempest Safari. Ideal for carrying large amounts of cargo, wonderful for the traveling family or outdoorsman! Heavy-duty, permanently attached. (F,D)

Removable Ski Carrier Adapter . . . sports enthusiasts will like this ski rack that attaches to the Safari permanent luggage carrier in minutes. (D)
