 - a. 400 (21)
 - d. 9 (31)
 - c. 3.36:1 (32)
 - b. Swept-Hip Perimeter (34)
 - a. Fully Finned (37)
 - c. 206.6" (42)
 - b. 255 (22)
 - d. GTO (28)

1967 PONTIAC POCKET FACTS

SALES INFORMATION SERVICE

1967

New Car Product Kit

What do you say when your prospect asks if he can have an all-Morrokide trim in his Tempest? Or, if he wants to know why the OHC-6 engine is better than other 6-cylinder engines? Can you answer him quickly and effectively, with all the facts? Or do you have to take the time to look up the answer, thus giving the prospect time to cool off?

The importance of complete product knowledge cannot be overemphasized, especially at new-model introduction time. People are willing to pay top dollar for a sparkling new Pontiac, and they'll do it faster and more often for the salesman with the self-confidence and assurance that comes from knowing his product! Check your PK (Product Knowledge) with the following quiz.
