

Accessories for your 1968 Pontiac Wide-Track

1968 Pontiac Accessories Index

FIREBIRD—TEMPEST—TEMPEST CUSTOM—LE MANS—TEMPEST SAFARI—GTO—CATALINA—EXECUTIVE—BONNEVILLE—GRAND PRIX

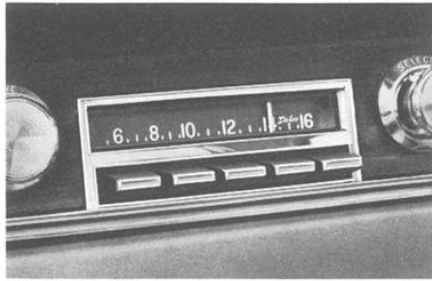

Although you have a choice of 34 different Pontiac models for 1968 to choose from, you'll want to equip *your* Pontiac so it reflects you and your personal taste. On the following pages we're sure you'll find the accessories and options that will help make owning and driving a Pontiac even more enjoyable than you ever imagined.

GROUPS. These are a combination of the more popular Pontiac accessories. Each group is factory-installed to save you time and installation cost.

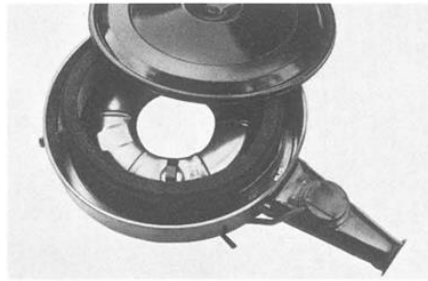

An accessory that can be installed by your dealer has a (D) following its description. (F) indicates that the item is a factory-installed accessory. (F, D) indicates the accessory can be installed either at the factory or by your dealer.

BASIC GROUP (Code 321)

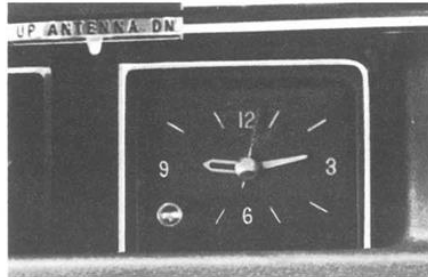

Pushbutton Radio and Manual Antenna (Available all Pontiac models).

Heavy-duty Air Cleaner (Available all Pontiac models).

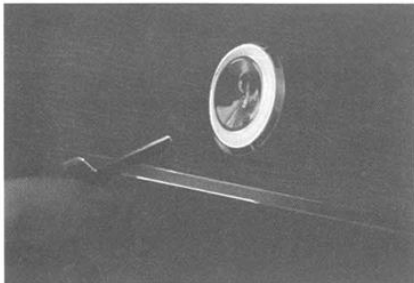

Custom Foam Front Cushion (Not available with bucket seats or Firebird models. Standard with Brougham Option. Available all Tempest, Tempest Custom, Catalina, Executive, Bonneville models).

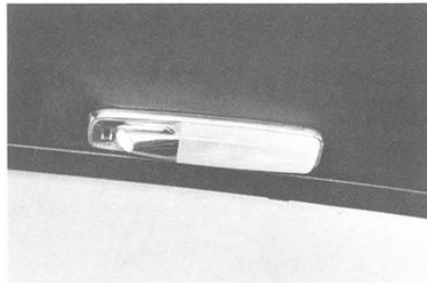

Electric Clock (Available all Firebirds, Tempest, Tempest Custom, LeMans, Tempest Safari, GTO and Catalina models).

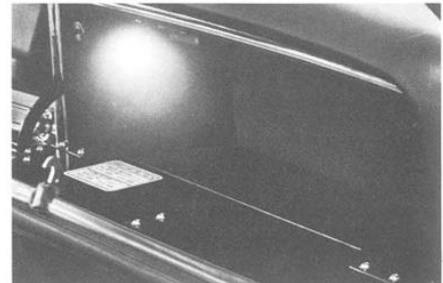

LAMP GROUP (Code 332)

Ignition Switch Lamp (Available on Firebird, Tempest, Tempest Custom, LeMans, Tempest Safari, GTO models. Standard on all other Pontiac models).

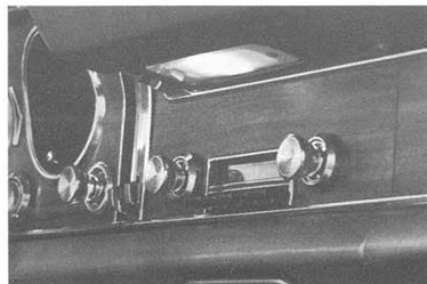

Roof Rail and Reading Lamps (Available on all Pontiacs except Firebird and convertible models).

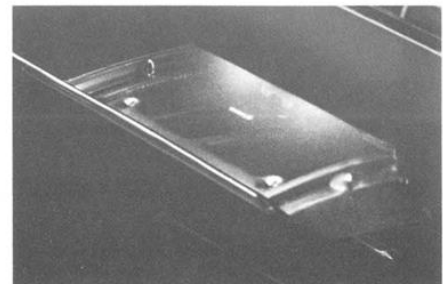

Glove Box Lamp (Available on Tempest, Tempest Custom models. Standard on all other Pontiac models).

Low-fuel Warning Lamp (Available on Catalina Executive, Bonneville, Grand Prix models only).

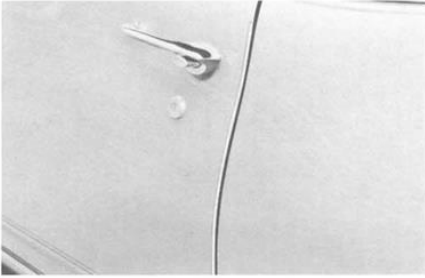

Instrument Panel Courtesy Lamp (Available on Tempest models only. Standard on all other Pontiac models).

Ashtray Lamp (Available on Tempest, Tempest Custom models. Standard on all other Pontiac models).

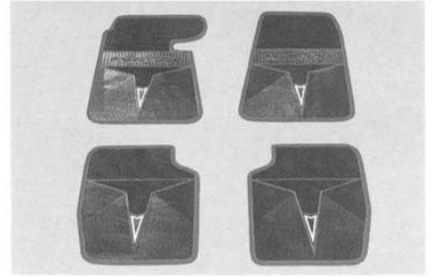

PROTECTION GROUP (Code 322)

Door-edge Guards—all Pontiac models.

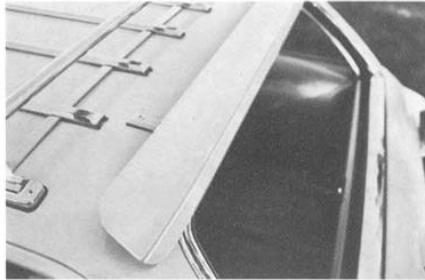

Custom Seat Belts—all Pontiac models.

Floor Mats, Front and Rear—all Pontiac models.

Spare Tire Cover—all Pontiac models except with "Space-Saver Spare" or station wagons. (Standard with Brougham option.)

Rear-window Wind Deflector—station wagons.

Rear-window Defogger—all Pontiac models except convertibles (other than Firebird) and station wagons.

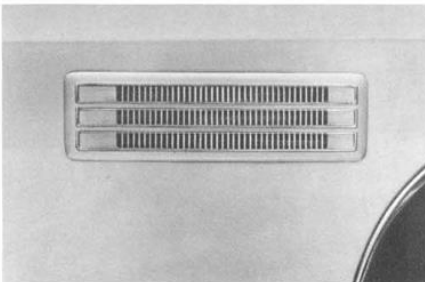

MIRROR GROUP (Code 331)

Luggage Lamp (Available on all Firebirds, Tempest, Tempest Custom, LeMans, GTO, except Tempest Custom Station Wagon. Standard on all other Pontiac models except station wagons).

Visor Vanity Mirror, RH and LH—all Pontiac models.

Cornering Lamps—available on Catalina, Executive, Bonneville, Grand Prix models only.

Outside Remote-control Mirror—all Pontiac models.

Pontiac Instrument Panel

CRUISE CONTROL TILT STEERING WHEEL AUTOMATIC TEMPERATURE CONTROL AIR CONDITIONING
 TURBO HYDRAMATIC TRANSMISSION VARIABLE-RATIO POWER STEERING AM-FM RADIO SOFT-RAY GLASS DECK LID RELEASE Illustrated is Instrument Panel for Bonneville and Grand Prix Series.

Automatic Temperature Control Air Conditioning (Code 581). Available on Catalina, Executive, Bonneville and Grand Prix models. You set your comfort range and then forget it. Strategically located heat sensors maintain the selected level of comfort—all year long regardless of the temperature and humidity outside. Pontiac's bi-level distribution sends heated air to floor and cooled air through air conditioning outlets in mild weather, when temperatures range between 40° and 70°. Custom fitted air outlets permit instant control of air-flow direction. (F)

6

Custom Air Conditioning (Code 582). Available on Catalina, Executive, Bonneville and Grand Prix models. It is combined with Circ-L-Aire heater to give full-range comfort control. A new six-pushbutton arrangement for pinpoint control of inside air cooling, outside air cooling, bi-level cooling (upper-level air) and heating (lower-level air), heating and defogging-deficing. Lets you ride in cool or warm, clean, pollen-free, noise-free comfort. Custom fitted adjustable air outlets permit instant control of air-flow direction. (F)

Illustrated is instrument panel for Firebird with Custom Option

Firebird Custom Air Conditioning (Code 582). Combines heating and cooling units in a single system for balanced all-season comfort. Features easy, fingertip, sliding-lever control that permits your selection of the desired comfort level. Available only on Firebird, Firebird 350, Firebird H.O. and Firebird 400 with automatic transmissions.

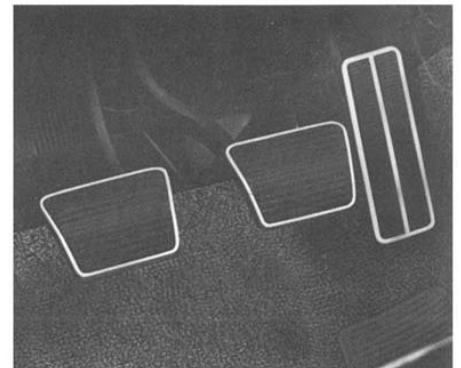

Firebird Decor Group (Code 324)

Deluxe Wheel Discs

Deluxe Steering Wheel

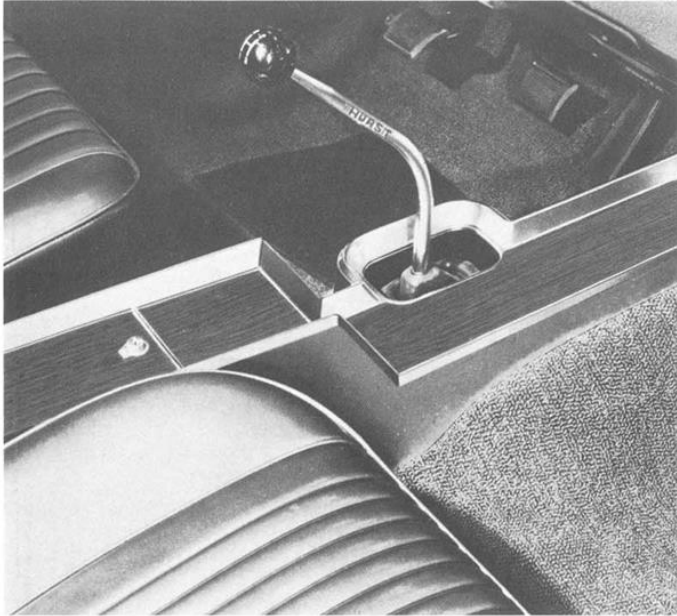

Brake, Clutch and Accelerator
Trim Plates

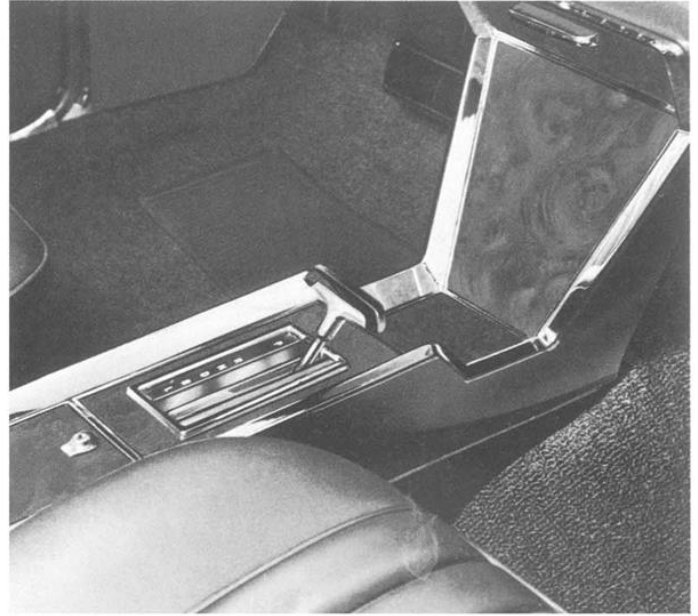

The Firebird Decor Group includes the above three accessories for all Five Firebirds—the Firebird, Sprint, 350, H.O. and 400.

Transmission Consoles (Code 472)

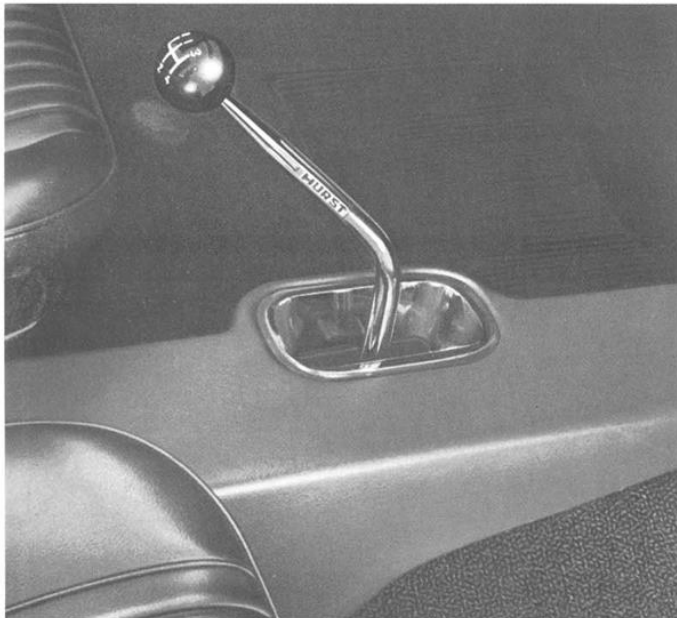

Available on all Pontiac models with bucket seats. Standard on Grand Prix with bucket seats. Not available with OHC 6, 3-speed manual transmission or Tempest, Tempest Custom, Tempest Safari models.

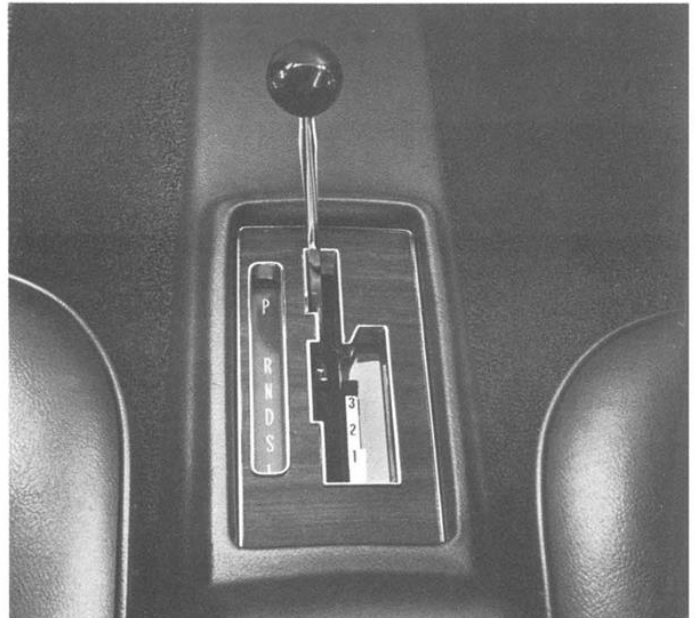

A. Console for 3-Speed Manual Transmission. (Illustrated is console in a Ventura which varies slightly in appearance in other models.)

B. Console for Automatic or Turbo Hydra-Matic Transmission. (Illustrated is console in a Bonneville which varies slightly in appearance in other series.)

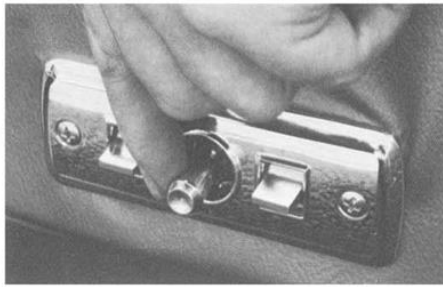

C. Console for 4-Speed Manual Transmission. (Illustrated is console in a LeMans which varies slightly in other series.)

D. Console for "Dual-Gate" Turbo Hydra-Matic Transmission. Available only on GTO.

Power Options

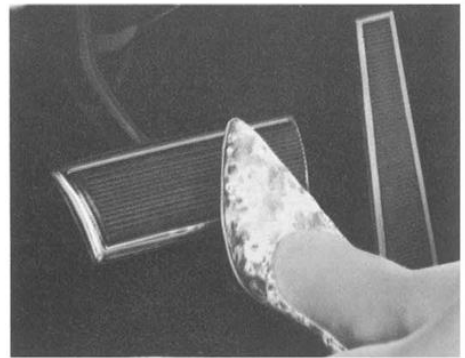

Power 6-way Bench Seat (Code 561). Raises, lowers, tilts forward or backward and moves forward or backward—all at the direction of a button. Gives you more relaxing driving comfort, lessens fatigue on trips. With full-width seat on Catalina, Executive, Bonneville and Grand Prix models only. (F)

Power Brakes (Code 502). Just a light touch of the foot gives adequate braking pressure. Available on all models. (F, D)

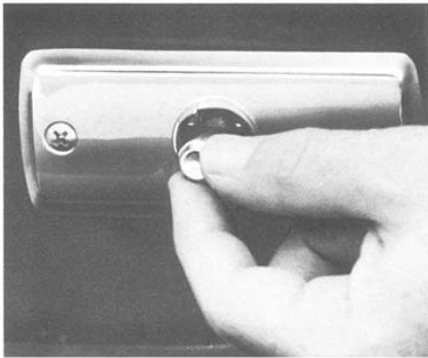

Power Steering (Code 501). One or two pounds effort is all you need for the easiest steering you'll ever experience. Available on all models. (F, D)

Variable-ratio Power Steering (Code 501). The greatest advance in car steering since power steering. By automatically employing a lower steering ratio, it reduces the steering wheel turning distance by about 30%. Same precise control on highways—less effort in parking. Standard with power steering only on Executive, Bonneville and Grand Prix models. (F)

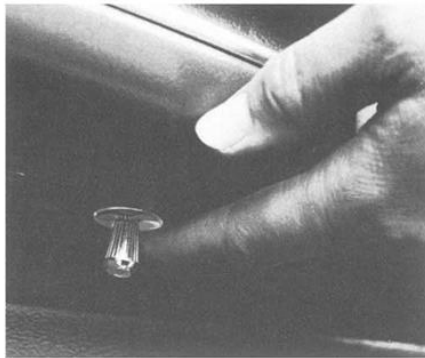

Deck-lid Release (Code 492). You can unlock the trunk while you sit in the car by pressing the button control, located inside of the glove compartment. Trunk may also be unlocked with the key. Available on all models except station wagons and Firebirds. (F, D)

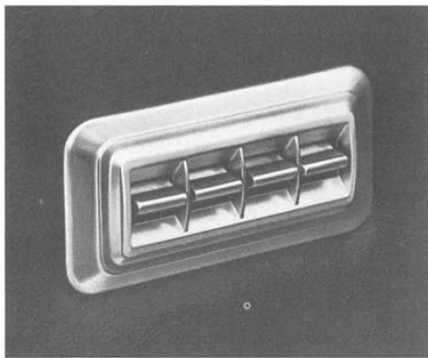

Power 4-Way Bench Seat (Code 561). Move seat forward or backward or raise or lower by pressing the switch in the direction of desired travel. Available only on Tempest, Tempest Custom, LeMans, Tempest Safari and GTO models with full-width bench seats. (F)

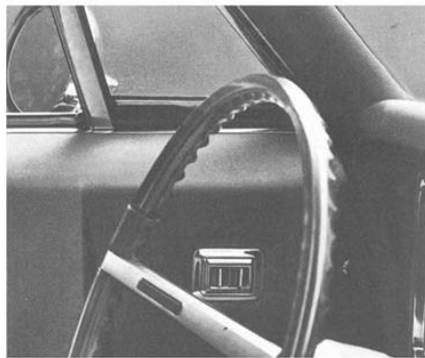

Power Bucket Seat (Code 564). Moves left-hand bucket seat forward and backward and up and down to any desired position for comfort. Available on all models with bucket seats except Firebirds. (F)

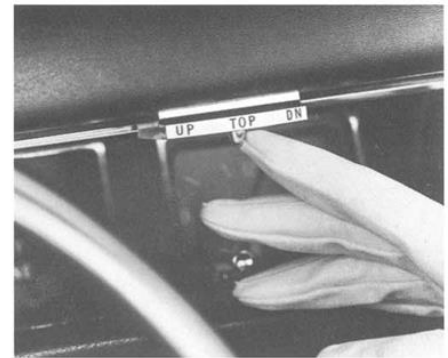

Cruise Control (Code 441). Maintain a pre-selected car speed automatically. Disengages with slight touch of the foot on the brake pedal. Available on all models with V-8 engines and automatic transmissions only. (F, D)

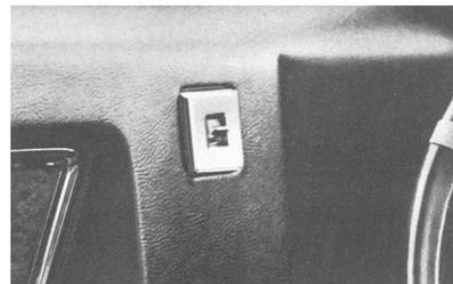

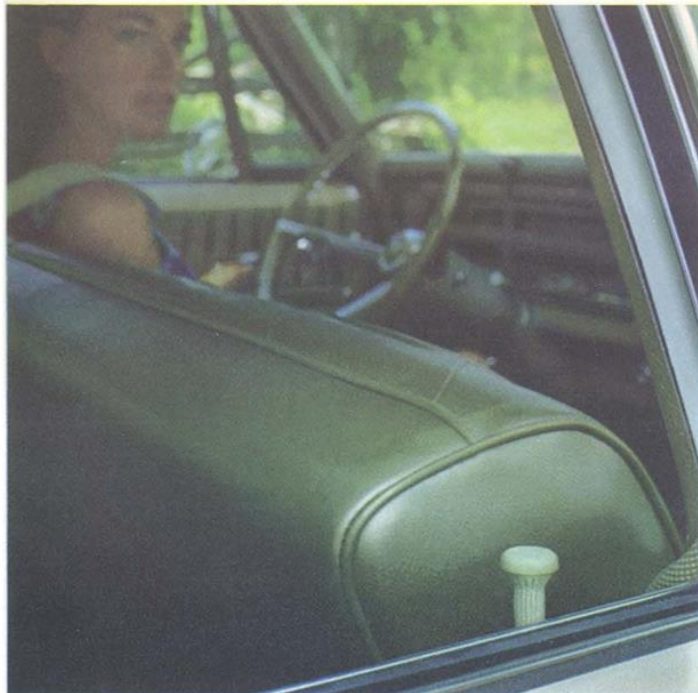

Power Window Lifts (Code 551). Gives driver fingertip control of all vertical side windows from a single control panel on his door. Each window has its individual control switch, too. Not operable with ignition key off. Standard with Brougham Option. Available on all models. (F)

Power Vent Windows (Code 552). Operates vent windows by selecting the respective switch on the driver's side or activating the switch under the right vent window. Available along with power windows on Catalina, Executive and Bonneville models only. (F)

Power Convertible Top (Code 544). Automatically lowers and raises convertible top by pressing activating switch. Available on Firebird and Tempest Custom Convertible models only. (F)

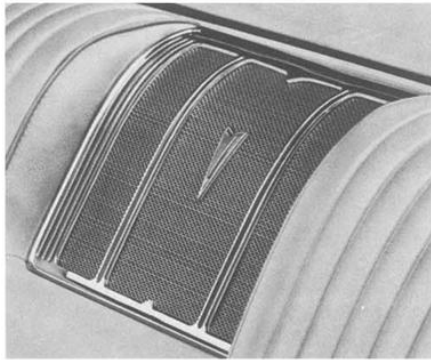

Power Door Lock System (Code 541). Master control lever, located on the inside front door panels on the driver's side and passenger's side. Locks or unlocks all doors simultaneously. A great convenience accessory for security. Available only on Catalina, Executive, Bonneville and Grand Prix models. (F)

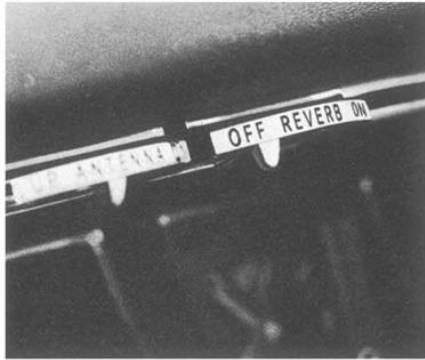

Radio and Stereo

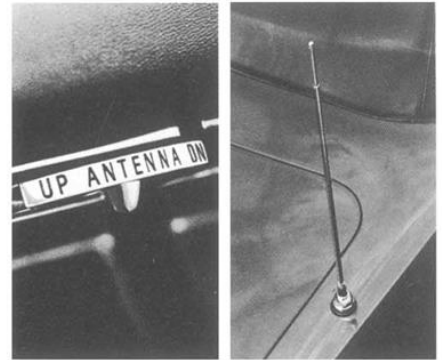

Stereo Tape Player (Code 394). Mounted under the instrument panel or on the transmission console, the stereo tape player comes with two special stereo rear speakers. Available only with any of the radio options. It has its own built-in amplifiers and plays the popular 8-track tape cartridges. It has a track selection control, its own volume and tone controls and a balance control for varying the volume between front and rear speakers. Available for all models except those equipped with floor-mounted manual transmissions. Not available on Firebird with electric clock. (F, D)

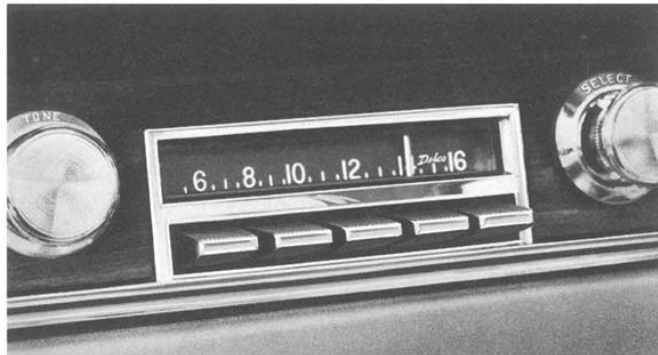

Rear Speaker (Code 391). Fader switch lets you vary front to rear speaker volume for brilliant, surrounding sound. Available all models except those equipped with Stereo-Multiplex Radio (Code 388) or Stereo Tape Player (Code 394.) (F, D)

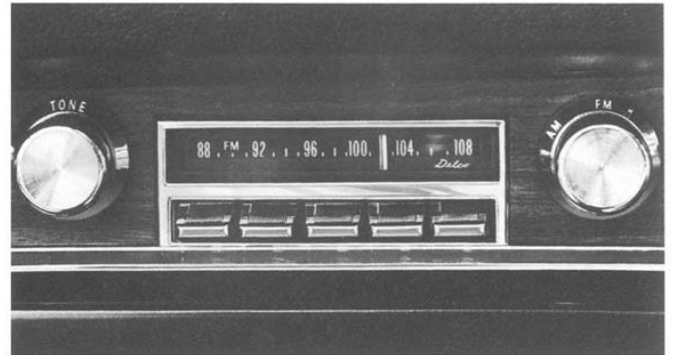

Verbra-Phonic Rear Speaker System (Code 392). Brilliant "in-depth" tone simulates concert hall acoustics when both front and rear speakers are playing. Available all models except Firebirds and those equipped with Stereo-Multiplex Radios (Code 388) or Stereo Tape Player (Code 394.) (F, D)

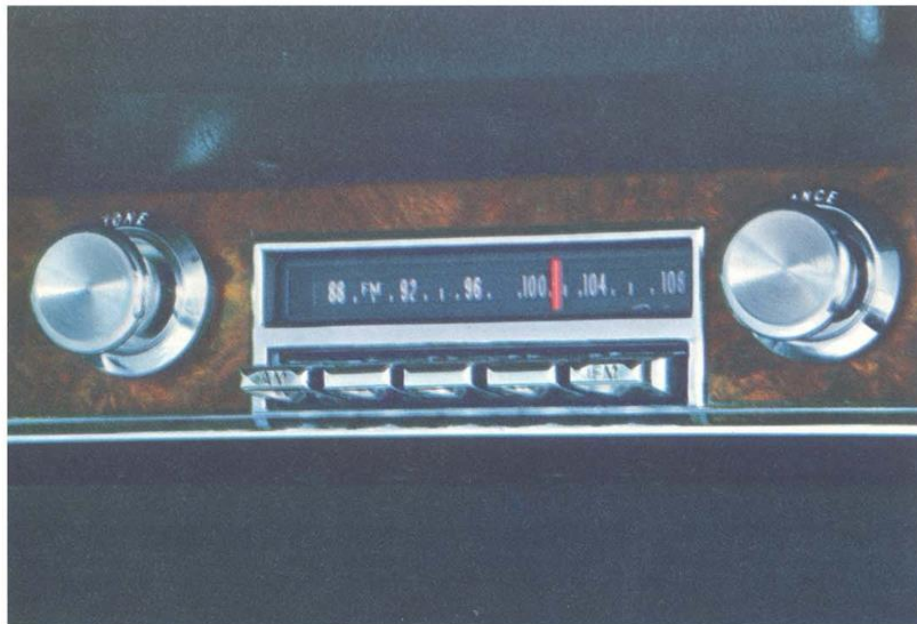

Electric Power Antenna (Code 381). Available with all radios on all models except Firebirds. Raises and lowers antenna by a switch on the instrument panel. Antenna is mounted on the right rear fender. (F, D)

Pushbutton Radio and Manual Antenna (Code 382). Enjoy completely transistorized listening pleasure. Superior tone and fidelity. Wide dial permits precise tuning. Antenna has air-foil-shaped tube for minimum wind resistance. Available all models. (F, D)

Pushbutton AM-FM Radio and Manual Antenna (Code 384). Dual listening pleasure with either AM or FM frequencies by rotating the frequency dial. Completely transistorized. Pushbuttons set for either AM or FM stations, or both. Unusually fine quality and fidelity. Available all models. (F, D)

Pushbutton AM-FM Stereo-Multiplex Radio and Manual Antenna (Code 388). The most complete radio system you can equip your Pontiac with. You can listen to AM or FM frequencies and enjoy true stereophonic sound when the program is being broadcast in stereo. Includes two special stereo rear speakers and one front speaker with a special balance control to vary front and rear speaker volume. (Only one rear speaker in station wagons, convertibles and all Tempest models.) (F, D) Available all models except Firebirds. Firebird has Stereo-Multiplex Adapter package, dealer-installed with AM-FM radio.

Note: Due to technical limitations of stereo broadcasting and reception, owners may occasionally experience limited range FM and stereo reception and/or stereo distortion and flutter in certain localities.

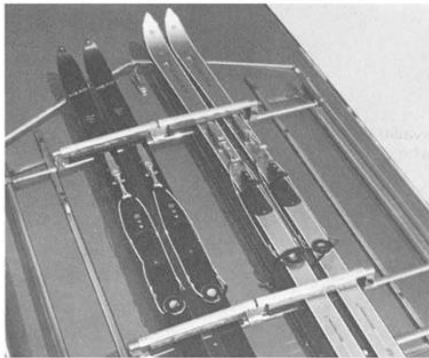

Station Wagon Accessories

Chrome Luggage Carrier (Code 512). Sturdy and smart. Carries plenty of luggage, allowing extra passenger space inside. Side rails provide easy tie-down. Bright chrome and stainless steel carrier installs permanently on all station wagon models. (F, D)

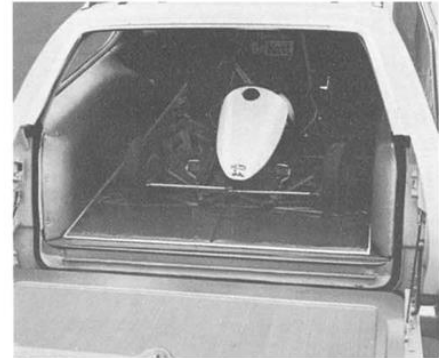

Power-operated Tailgate Window (Code 542). Conveniently located switch raises or lowers tailgate window at touch of finger or twist of key in tailgate lock. Available for Catalina and Executive 2-seat, Tempest Custom and Tempest Safari Station Wagons only. (Standard on all 3-seat station wagons) (F)

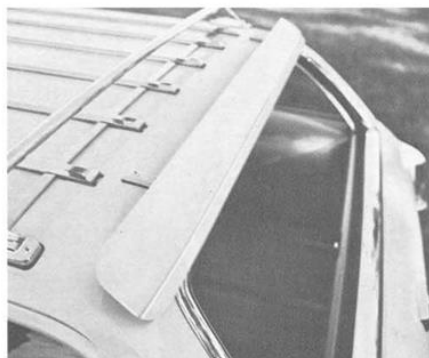

Removable Ski Carrier Adapter. Attaches to station wagon permanent luggage carrier in minutes. Securely carries up to six pairs of skis. Has key lock for protection against ski theft. (D). Available for all station wagon luggage carriers.

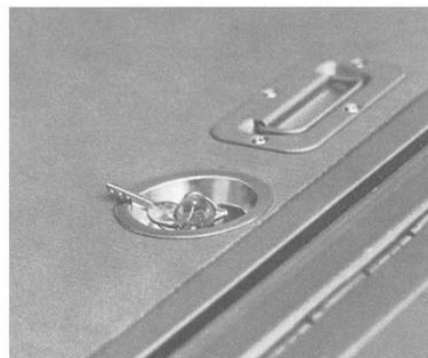

Luggage Carrier Cover—Rakpak. Water- and dust-resistant fabric protects luggage. Side opening can be locked. Cover folds flat for off-car storage. For station wagon luggage rack. (D)

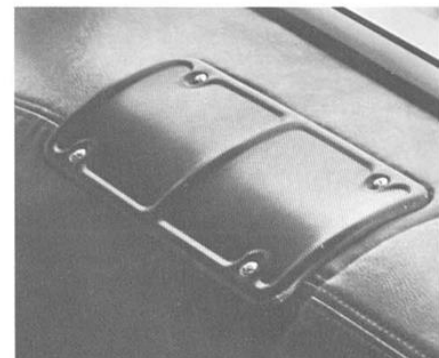

Utility Pad. Doubles as rear load area pad whenever needed. Constructed of durable, resilient coated fabric. Available in two-tone combinations of brown and green, grey and blue or black and red. Pads available for all station wagons. (D)

Station Wagon Rear-window Deflector (Code 408). Horizontal metal vane directs air stream down onto rear window to help keep it free of dust. Also promotes quieter ventilation of interior when cowl vents are opened, side windows closed and rear window open. Available for all station wagons. (F, D)

Station Wagon Luggage Compartment Lock. Valuables in rear load compartment are extra-safe when protected by this sturdy lock. Available for Catalina, Executive and Bonneville 3-seat Station Wagons only. (D)

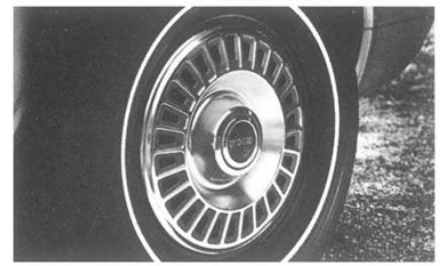

Separ-Phonic Rear Speaker for Station Wagon (Code 391). Brilliant tone and depth control. Fader switch lets you vary front to rear speaker volume. (Not available with AM-FM Stereo-Multiplex Radio (Code 388) or with Stereo Tape Player (Code 394). (F, D)

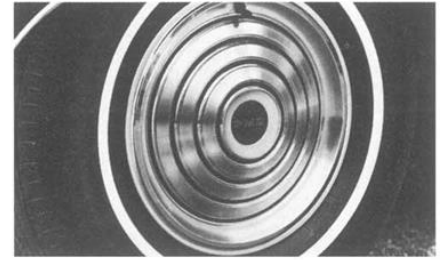

Wheel Covers

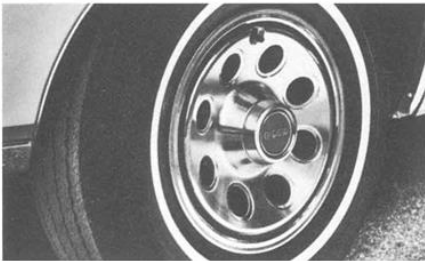

Wire Wheel Discs (Code 452). For a special flair and sports look. Gleaming, chrome-plated wire spokes with a bright red, medallion hub insert. Available for all models except Catalina, Executive, Bonneville and Grand Prix models equipped with disc brakes or 15" wheels. (F, D)

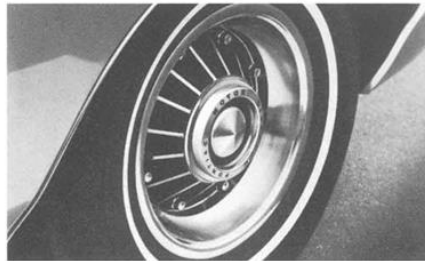

Deluxe Wheel Discs (Code 461). Chrome-flashed stainless steel with a deep center section. Available all models. Part of Firebird Custom Option and Tempest, Tempest Custom, LeMans, Tempest Safari, GTO and Catalina Decor Group Option. Standard on all Executive, Bonneville and Grand Prix models. (F, D)

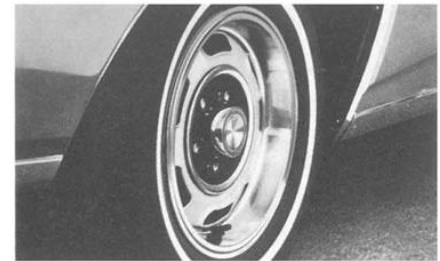

Custom Wheel Discs (458). Bright, high-styled concentric ring discs give your Pontiac a well-dressed look. Same in appearance as 15-inch deluxe disc. Available only for Catalina, Executive, Bonneville and Grand Prix models. (Not available with front wheel disc brakes or 15-inch wheels.) (F, D)

Custom Wheel Discs (Code 458). Available for all Firebird, Tempest, Tempest Custom, LeMans, Tempest Safari and GTO models. Smart, gleaming stainless steel discs with a real sports appearance for that extra-dressy touch. (F, D)

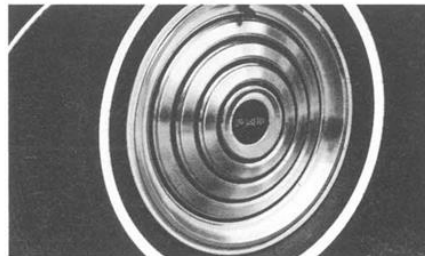

Aluminum Brake Drum with Integral Wheel Hub (Code 454). A Pontiac first and still an exclusive. Distinctive one-piece aluminum wheel hub and brake drum bonded to cast-iron braking surface for high resistance to brake fade. Available on all Catalina, Executive, Bonneville and Grand Prix models except those with disc brakes or 15" wheels. (F)

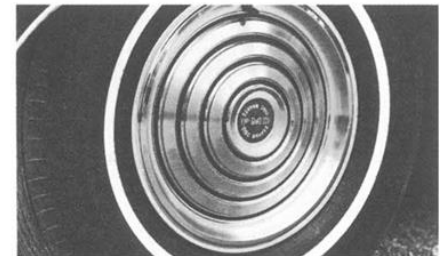

Rally I Wheels (Code 454). Functional and sporty. Large openings provide maximum cooling for brakes. Includes stainless steel hub caps, wheel nuts and stainless steel full trim ring. Available for all Tempest, Tempest Custom, LeMans, Tempest Safari and GTO models. (F)

Rally II Wheels (Code 453). Specially styled, 14-inch steel wheels for the ultimate in sports wheel styling. They have a stainless steel wheel trim ring and chrome-plated wheel nuts. Available on all models except station wagons. Not available with disc brakes or 15-inch wheels on Catalina, Executive, Bonneville and Grand Prix models. (F)

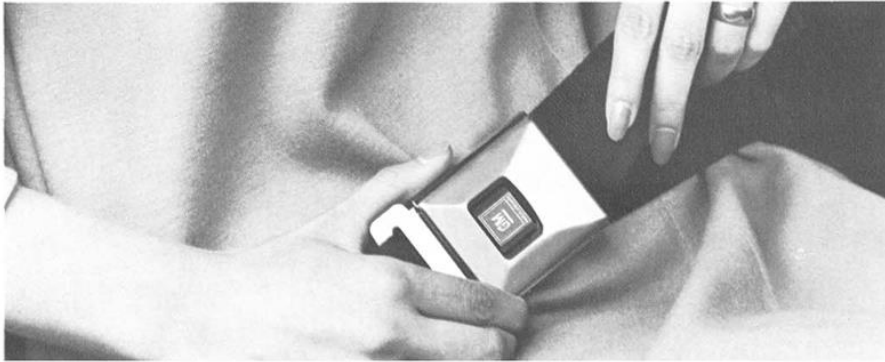

15-Inch Deluxe Wheel Disc (Code 461). Bright, stylish concentric ring discs give your Pontiac a well-dressed look. Available for Catalina models with extra-cost 15-inch wheels. Standard on all Executive, Bonneville and Grand Prix models with extra-cost 15-inch wheels. (F, D)

Disc Brake Wheel Discs (Code 461). Same in appearance as 15-inch Deluxe and 14-inch Custom Wheel Discs with the addition of the "Disc Brake" lettering on the center insert medallion. Available only for Catalina, Executive, Bonneville and Grand Prix models equipped with front wheel disc brakes. (F, D)

Miscellaneous Accessories

Custom Seat Belts (Code 431). On all 4-door models except station wagons. 3 custom seat belts with retractors on two outside belts in front seat. 3 custom seat belts with retractors on two outside belts in rear seat. Same on station wagons with the addition of 2 custom seat belts, less retractors in third seat. On 2-

door models, 3 custom seat belts with retractors on two outside belts in front seat, except models with bucket seats which have belts with retractors for each bucket seat. Rear seats have 3 custom seat belts, no retractors. Seat belt colors harmonize with interiors and belts have a rich, heavy brushed-chrome buckle. (F)

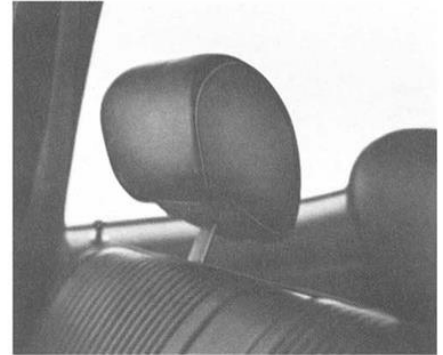

Front Shoulder Belts (Code 754), Custom Front Shoulder Belts (Code 754 with Code 431). For driver and right, front-seat passenger only. Custom Front Shoulder Belts feature smart-looking brushed-chrome buckle, and belt color-keyed to interior. Available all Pontiac models. (F)

Remote-control Outside Mirror (Code 424). Mounts on left-hand door. Control conveniently adjusts mirror from inside the car. Available all models. No dealer package for Firebird. (F, D)

Reclining Seat, Passenger Side (Code 578). Available for Bonneville Brougham and Grand Prix models with either Strato-bucket or Strato-bench seat. Le Mans, GTO, Catalina and Bonneville models with Strato-bucket seats. Passenger side seat reclines at a 45° angle. Includes head restraints for both passenger and driver. (F)

Head Restraints (Code 571) for Bucket Seats; (Code 572) for Bench Seats. Available with any type front seat—for passenger and driver. Matches seat trim. Provides an extra measure of protection. Included in reclining seat option—Code 578. (F)

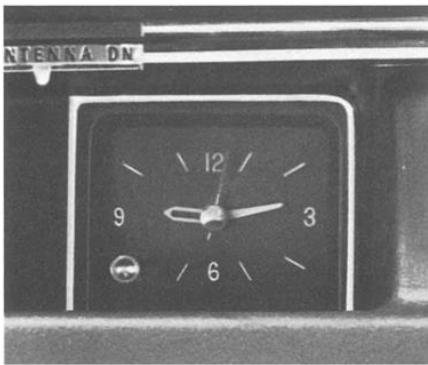

Visor Vanity Mirror (Code 421); Right- and left-hand Visor Mirrors (Code 422). Mounts on back of visor. Out of sight when not in use. Ideal for checking make-up, combing hair, etc. Available for right-hand visor only or both visors on all models. (F, D)

Tilt Steering Wheel (Code 504). Adjusts to seven different positions for individual driving comfort. Permits easy exit and entry. Provides ample lap room for stouter people. Available on all models with power steering only. Not available with 3-speed manual column shift transmission. (F)

Custom Foam Front Cushion (Code 401). For front bench seat only. Custom 2¼" foam pad cushions shocks, gives a more relaxing ride. Available only on Tempest, Tempest Custom, Catalina, Executive and Bonneville models. Not available with bucket seats. Standard with Brougham Option and on Grand Prix model. (F)

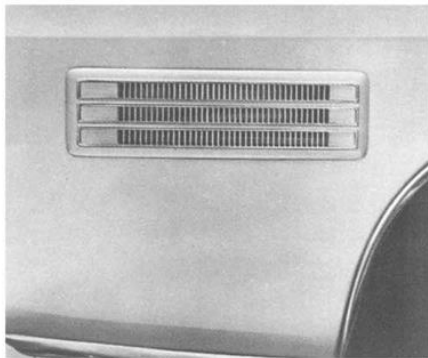

Electric Clock (Code 474). It has a sweep second hand and built-in automatic self-regulator. Dial is illuminated for easy night reading. Standard on Executive, Bonneville and Grand Prix—included with Custom Gauge Cluster (Code 444). (F, D)

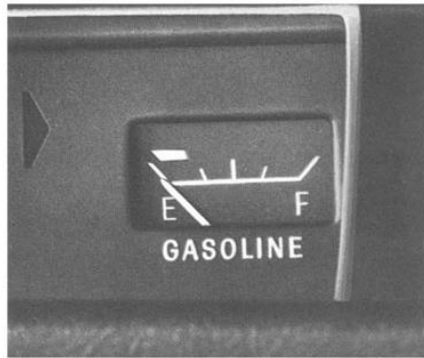

Soft-Ray Glass (Code 531). All windows. Recommended with air conditioning. (Convertible rear windows on Tempest Custom, Le Mans, GTO and Firebirds not tinted.) Upper area of windshield is shaded for added brightness reduction. Tinted windshield only is available on all models. (Code 532). (F)

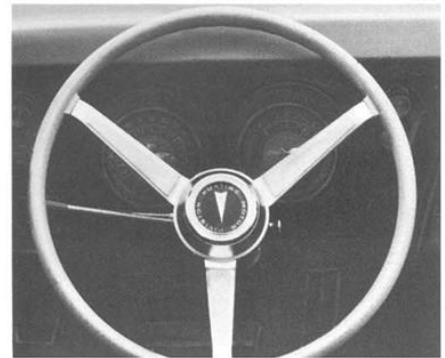

Rear-window Defogger (Code 404). A blower under the package shelf channels air through a directional grille out the rear window. Helps give you a clear view when inside windows have tendency to fog up. Available on all models except station wagons and convertibles other than Firebirds. (F, D)

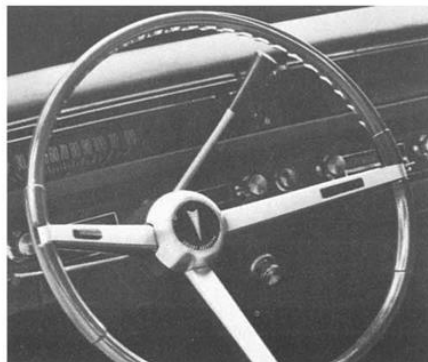

Cornering Lamps (Code 651). Available only on Catalina, Executive, Bonneville and Grand Prix (part of Lamp Group, Code 332, for these models). Helpful lighting of roadside when headlamps are on and turn signal is activated. Mounted on each side, at front of the front fender. (F)

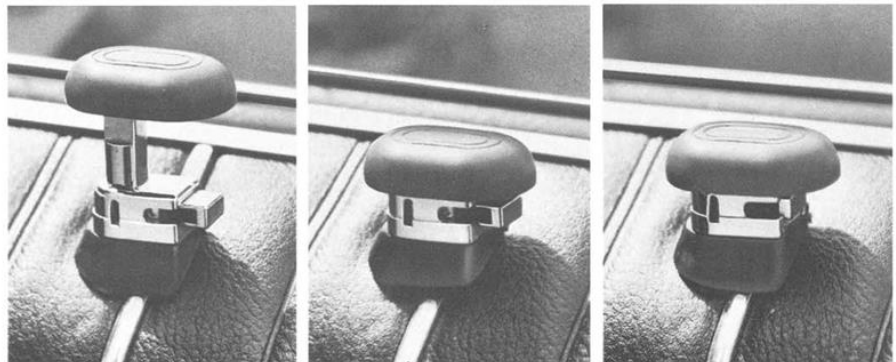

Low-fuel Warning Lamp (Code 672). Available only on Catalina, Executive, Bonneville and Grand Prix (part of Lamp Group—Code 332—for these models). Red warning light in fuel gauge alerts driver to low fuel supply. (F)

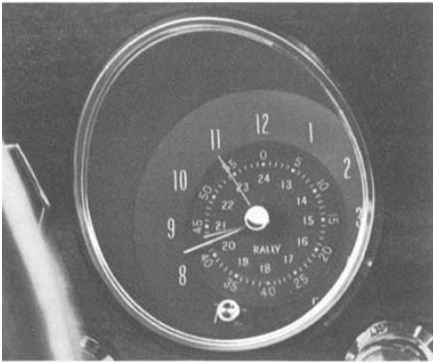

Custom Sports Steering Wheel (Code 471). Smart. "just-like-wood" appearance. Has three equally spaced, brushed stainless steel spokes. Horn button in center. Available all models. (F)

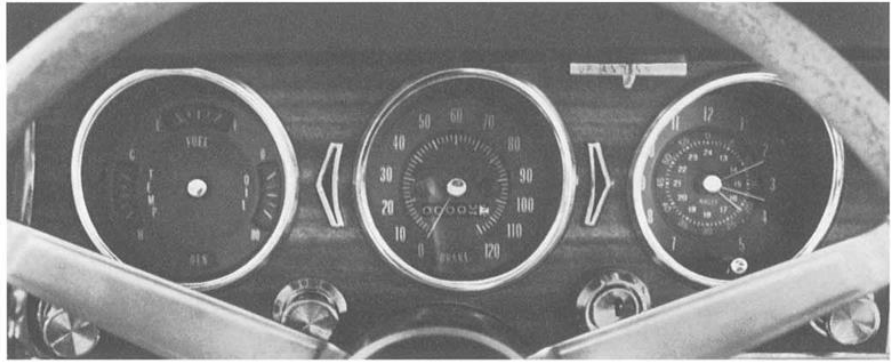

Deluxe Steering Wheel (Code 462). Horn activator bars recessed into each of two brushed steel spokes. Available on Firebird, Tempest and Catalina models only (Standard on all others.) (Part of Decor Group) (Catalina model shown above.) (F)

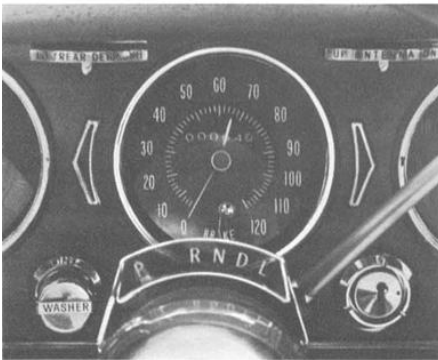

Rear-door Child Lock Guards (4-Door Models Only). Prevents children from unlocking and opening rear doors. When buttons are down and Lock Guards are pushed in, rear doors can't be opened without inserting key into lock button. 1—Unlock position. 2—Regular locked position. 3—Lock Guard position. Any of your regular car keys may be used to release the Lock Guards. (D)

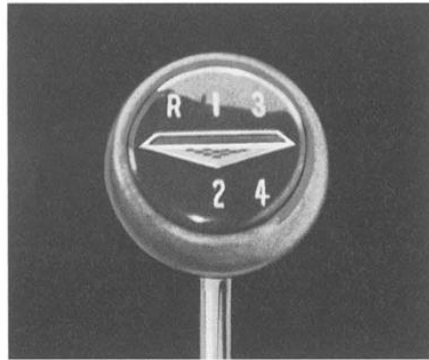

Rally Clock (Code 474). Available on Tempest, Tempest Custom, Le Mans and GTO models only—except those equipped with Code 444, Rally Gauge Cluster. Features sweep second hand and automatic self-regulator. (F, D)

Rally Gauge Cluster and Rally Clock (Code 484). Available on Tempest, Tempest Custom, Le Mans and GTO models only. Includes sweep second hand and automatic self-regulator clock, speedometer, oil-pressure and water-temperature gauges—plus fuel indicator and battery telltale light. (F) Also available is **Rally Gauge Cluster and Instrument Panel Mounted Tachometer (Code 444).** (F)

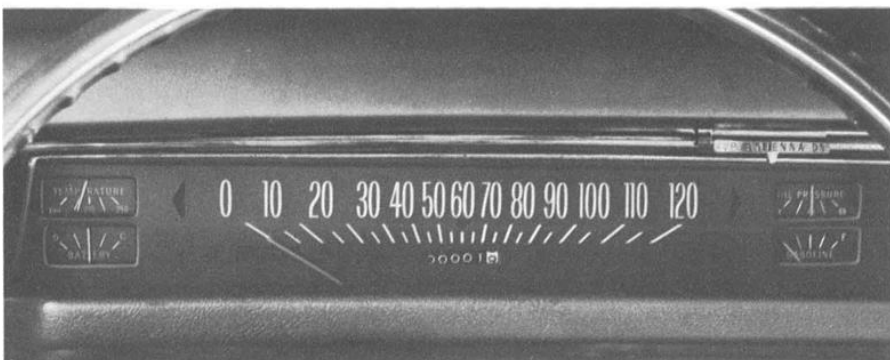

Safeguard Speedometer (Code 442). Warns of excessive speed. Control knob lets you select desired speed limit. Buzzer signals when car exceeds this speed. Not available with Rally Cluster on Tempest, Tempest Custom, Le Mans and GTO models. (F)

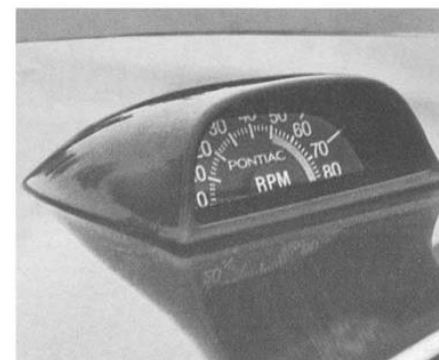

Custom Gearshift Knob (Code 524). Walnut-appearing gearshift knob for 3- or 4-speed, floor-mounted transmission shift levers. Has shift position indicated on 4-speed knob. Has Pontiac "Vee" Crest on 3-speed knob. Available all models with floor-mounted transmission. (F, D)

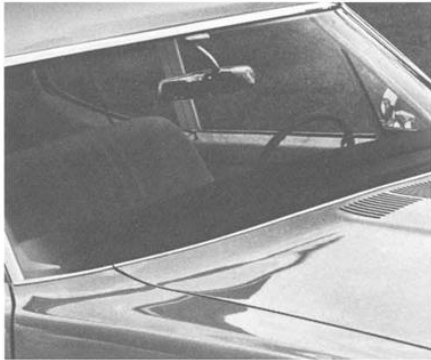

Concealed Headlamps—GTO (Code 414). Available only on GTO models. Provides a distinctively clean appearance to the front end. Sections of the grille swing down and out of the way when headlamps are in use. Headlamp switch automatically controls position of headlamp doors. (F)

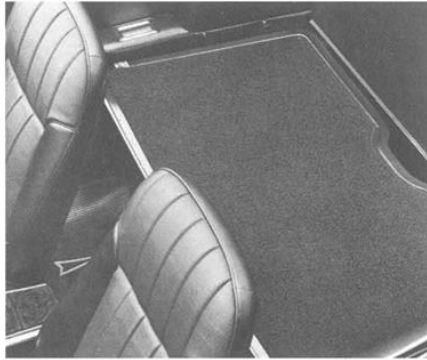

Auxiliary Gauge Cluster (Code 444). Has oil-temperature and oil-pressure gauges for informational readings. Available all models except Tempest, LeMans and GTO. On Catalinas, electric clock is included with this option. Not available with automatic temperature control air conditioning. (F)

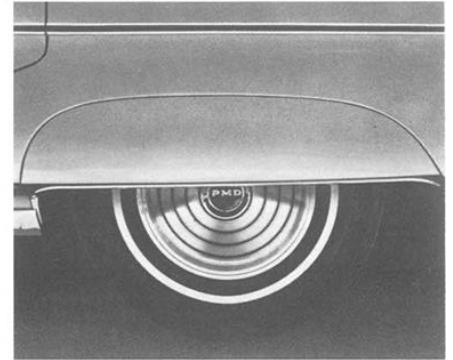

Tachometer (Code 434). New Pontiac design. Hood-mounted unit, installed outside the car in front of the windshield, in line with the driver's vision. Offers easy, instant reading. Available all models. (F, D)

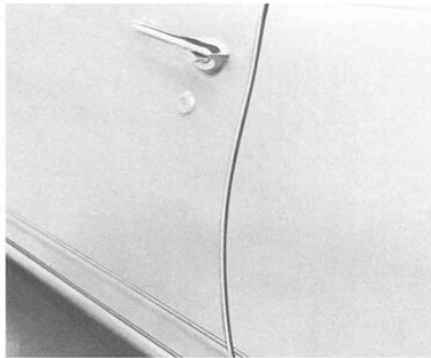

Concealed Windshield Wiper Linkage (Code 411). Available on all Tempest, Tempest Custom only. Standard on Le Mans, Tempest Safari and GTO. Part of Decor Group for these models. A dual-speed, fully concealed, tandem wiper with washer assembly featuring an articulating left wiper. Articulation feature on left arm wipes greater area for increased driver visibility. (F)

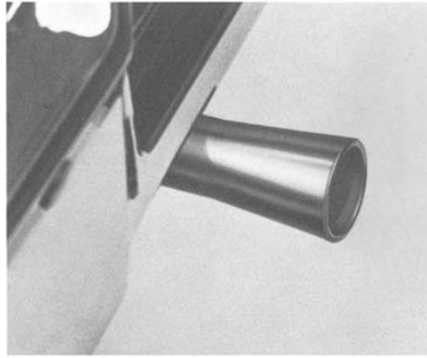

Fold-down Rear Seat (Code 604). Fully nylon-blend, deep loop carpeted rear seatback in Firebird models, that neatly folds down to permit the carrying of bulky objects. Carpeting matches interior. (F, D)

Fender Skirts (Code 674). Available for Catalina and Executive models only (std. on Bonneville and Grand Prix). Not available on station wagons or models with standard hub caps. (F, D)

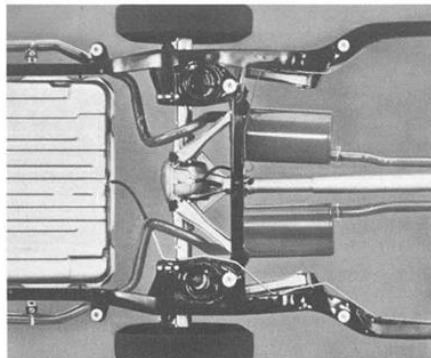

Door-edge Guards (Code 412). The bright, stainless steel strips help prevent nicks and scratches on door edges. (F, D)

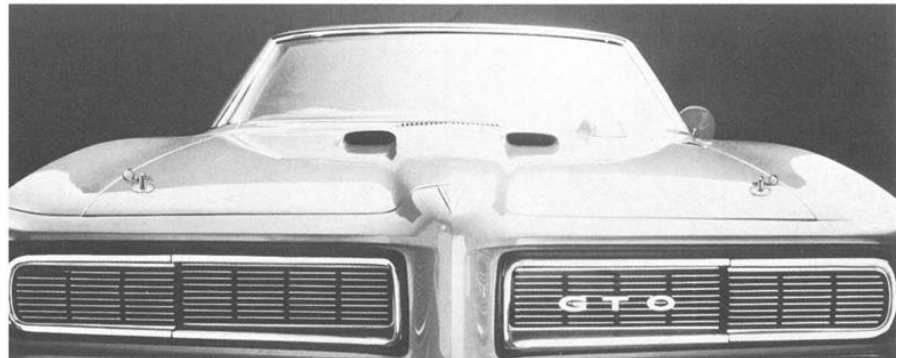

Exhaust Tailpipe Extensions (Code 482). Available on all Firebird, Tempest, Tempest Custom, Le Mans, GTO models except station wagons. Two gleaming extension pipes for dual exhaust system; one extension for OHC 6 4-BBL engine. (F, D)

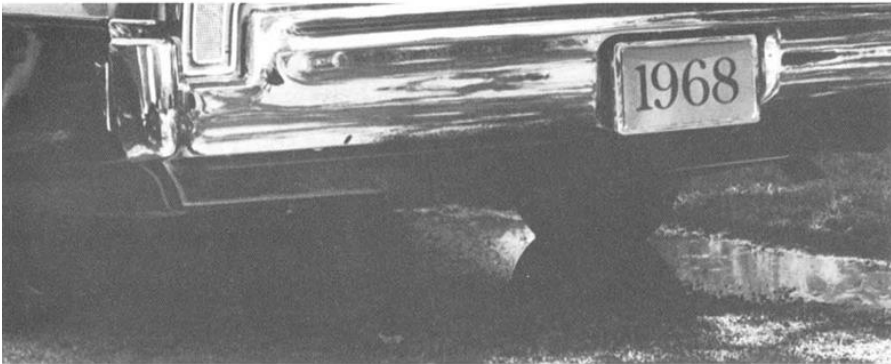

Space-Saver Spare Tire (Code 702). Adds up to 3 cubic feet of usable luggage capacity. Easily inflated with handy pressure can and affords approximately 2,000 miles of spare tire driving. Available on all models. Standard on Firebird series. (F). New Space-Saver Tire inflators for replacement are available at your dealer. (D)

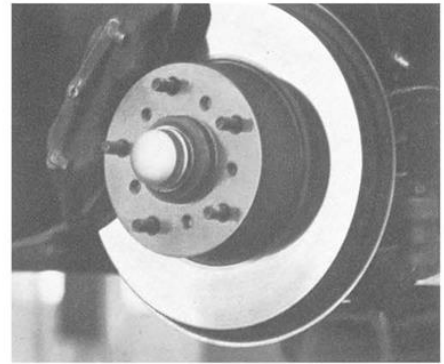

Dual Exhausts (Code 481). Cuts down back pressure in exhaust system, adds to engine efficiency. Available on all models with V-8 engines except station wagons. (Standard on Firebird H.O. Firebird 400, GTO and Grand Prix and all models equipped with H.O. V-8 engines.) (F)

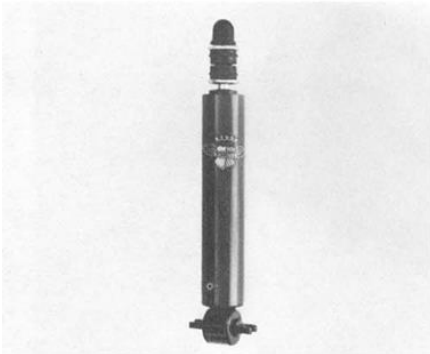

Hood Retainers. Enthusiasts will recognize them immediately. Double locking protection at all times with dual stainless steel posts to keep the hood secure. Chrome finished. (D)

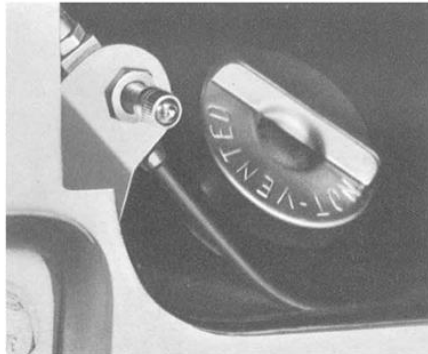

Safe-T-Track Differential (Code 361). Power is directed to the rear driving wheel that has the most traction. Surer handling through rutted roads, sand, gravel, bumps, chuck holes, heavy snow or on wet and slippery roads. Minimizes the hazard of getting stuck. Available all models. (F)

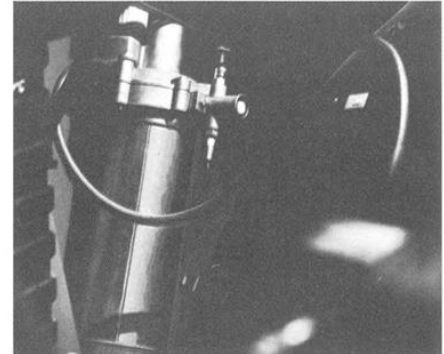

Front-wheel Disc Brakes (Code 521). Power brakes required on Tempest Custom and Tempest Safari Station Wagons. Power brakes, 8.45 x 15 tires and 15-inch wheels included on all Catalina, Executive, Bonneville and Grand Prix models. (Power brakes not included on all other models.) (F)

Koni Front and Rear Adjustable Shocks (Code 634). Can be adjusted to obtain the firmness or ride you desire. Available on Firebird models only. (F, D)

Superlift Shock Absorbers (Code 634). Available all models except Firebirds. Help maintain a level ride when trunk or trailer tongue loads are extra heavy. Adjustable air spring is built into rear shock absorber. Equipped with tire-type air filler valve for simple air fill at filling stations. (F, D)

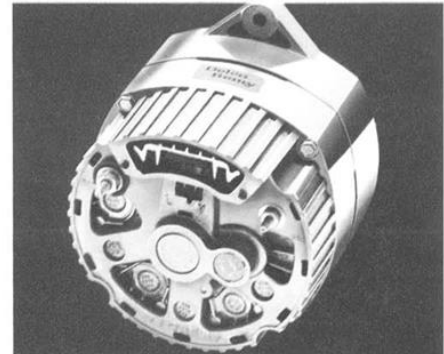

Automatic Level Control. Available only with Superlift Shock Absorbers. A vacuum-operated air compressor, mounted in the engine compartment, automatically keeps the rear of the car at a constant height when fully loaded. Available Catalina, Executive, Bonneville and Grand Prix models only. (D)

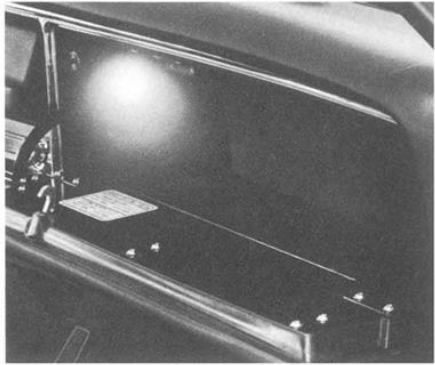

Heavy-duty Battery (Code 701). This high 55 amp. hr. battery provides longer life, greater power and increased cranking ability. Its "through-the-partition" cell-connection structure adds wattage. Keeps your power accessories operating efficiently. (F)

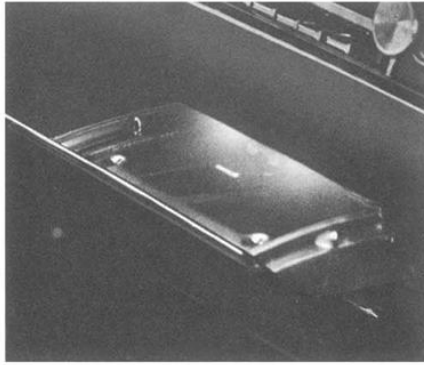

Dual Stage, Heavy-duty Air Cleaner (Code 731). Dual-filter design consists of wetted paper in filter, surrounded by polyglycol wetted polyurethane foam outer filter. Fine filtration, extended surface. Available all models except those equipped with 428 H.O. engines. (F, D)

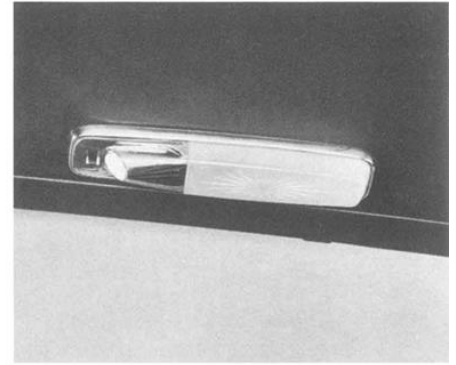

Delcotron Alternator-regulator (Code 694—42 AMP.) (Code 698—55 AMP.) This new and unique "solid state" voltage regulator provides improved voltage control and added reliability —increases battery life. Available for Catalina, Executive, Bonneville models. Standard on Grand Prix. (F)

Glove Compartment Lamp (Code 664). Lights automatically when glove compartment door is opened. Available and is part of Lamp Group—Code 332—for all models except Firebird, Catalina, Executive, Bonneville and Grand Prix—where it is standard equipment. (F, D)

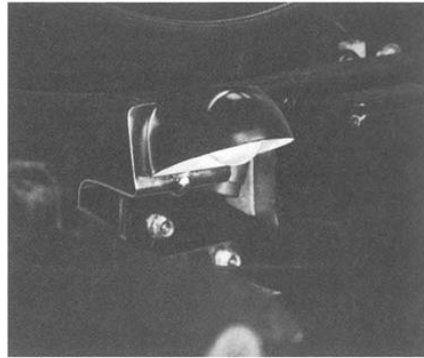

Ashtray and Lighter Lamps (Code 662). They illuminate automatically when parking lamps or headlamps are switched on. Available and are part of Lamp Group—Code 332—for all models except Firebird, Catalina, Executive, Bonneville and Grand Prix—where they are standard equipment. (F, D)

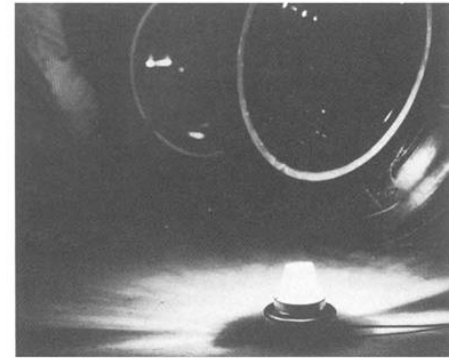

Side Roof Rail Courtesy and Reading Lamps (Code 654). Available all models except convertibles and Firebirds. One lamp on each side, mounted on interior side roof rails. Provides more light for map reading, etc. Reading lamp on each side has individual switch. (Standard with Lamp Group—Code 332.) (F)

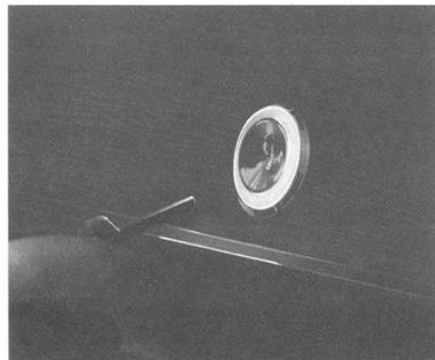

Luggage Compartment Lamp (Code 652). Lights automatically when trunk lid is lifted. Available and is part of Lamp Group—Code 332—for all models (except station wagons) other than Catalina, Executive, Bonneville, Grand Prix where it is standard equipment. (F, D)

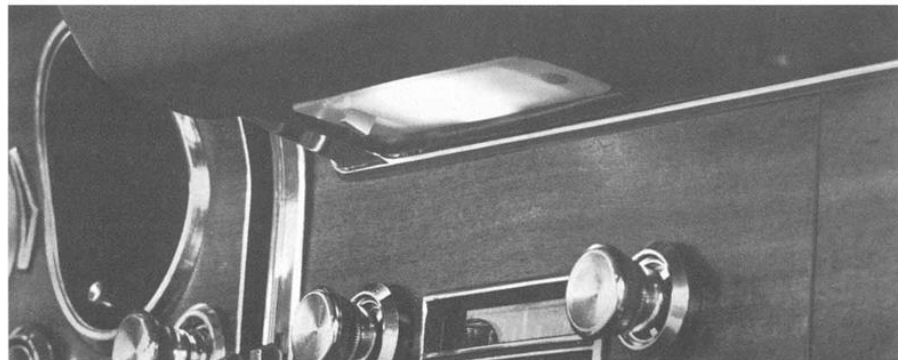

Underhood Lamp (Code 671). Lights automatically when hood is raised. Available and is part of Lamp Group—Code 332—for all models except Catalina, Executive, Bonneville and Grand Prix—where it is standard equipment. (F, D)

Underhood Utility Lamp. Ideal for emergency repairs or tire changes after dark. It has 17 feet of self-storing extension cord. Available on all models except Firebird. (D)

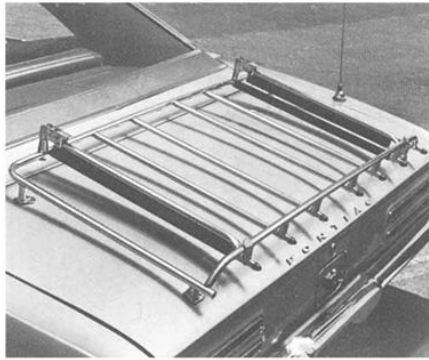

Ignition Switch Lamp (Code 672). Turn on parking or headlamps, and ignition key switch is illuminated. Available and part of the Lamp Group—Code 332—for all models except Catalina, Executive, Bonneville and Grand Prix—where it is standard equipment. (F)

Instrument Panel Courtesy Lamp (Code 661). Lights when front door is opened. Also manually operated by switch. Available and is part of Lamp Group—Code 332—for all models except convertibles, Firebird, Catalina, Executive, Bonneville and Grand Prix—where it is standard equipment. (F, D)

Child Safety Seat. Especially designed to give additional protection for small child passenger. Utilizes standard seat belt. Heavily padded, sturdily constructed with special chest retainer strap to restrict forward movement during quick stops. Ivory color. (F, D)

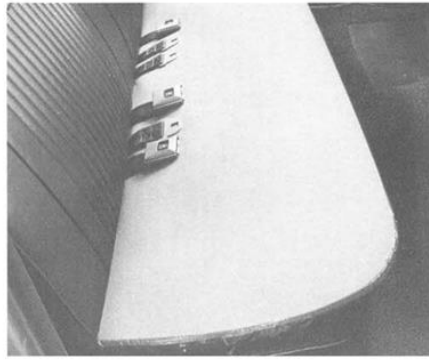

Deck-lid Luggage Carrier. Functional and sporty. Carries up to 100 lbs. of luggage. Handy side rails provide easy tie-down. Made of bright chrome and stainless steel. Permanently installed on deck lid. Available Firebird. (D) Removable Ski Carrier Adapter also illustrated. (D)

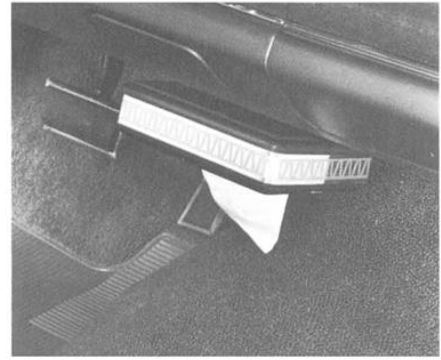

Removable Luggage Carrier—Karpak. Lightweight, easily removed, quickly installed on roof or deck lid. Water- and dust-resistant to protect luggage. All models except station wagons with luggage carrier. (D)

Ventilated Cushions. Helps make driving more comfortable, especially in hot, sticky weather. Special, coil-spring construction allows air to circulate between passenger and seat. (D)

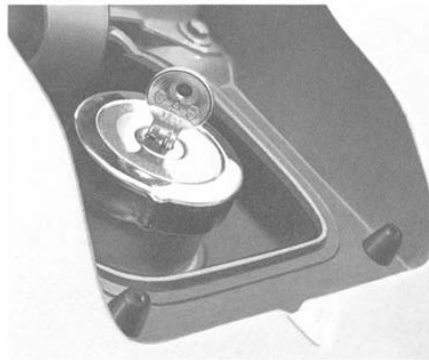

Cushion Topper. Adds considerable softness and comfort to front seat. Sleek rayon surface with thick foam backing. Available in five colors to harmonize with interiors. (D)

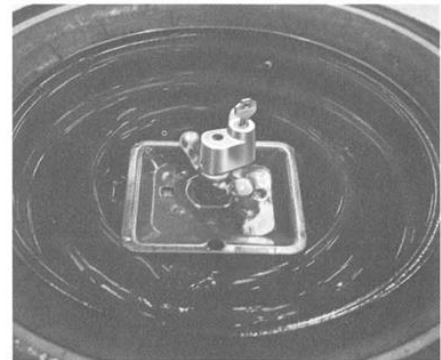

New Tissue Dispenser. Holds a junior-sized box of tissues. Smart-looking new design which attaches to underside of instrument panel—easy to use, less bulky. (D)

Car Compass. Dependable with special compensator for in-car use. Illuminated dial for all models. (D)

Gas-cap Lock. Prevents fuel theft. Separate key. Available on all models. (D)

Spare Tire Lock. Prevents theft of spare tire and wheel in trunk. (D)

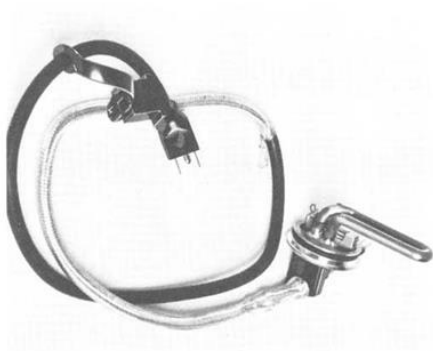

Litter Basket. Clings to transmission tunnel. Weighted to prevent tipping, and empties easily. Available in red, blue, black or beige. (D)

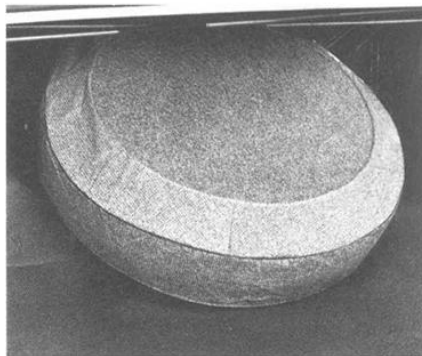

Fire Extinguisher. A 2 1/2-lb. dry chemical fire extinguisher for all types of fires, including grease, oil, gasoline and electrical. It's rechargeable. (D)

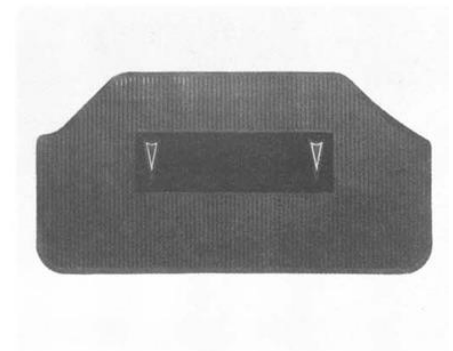

Highway Emergency Kit. Includes antenna emergency flag, fire extinguisher, tire inflator and warning flares with extra fuses. (D)

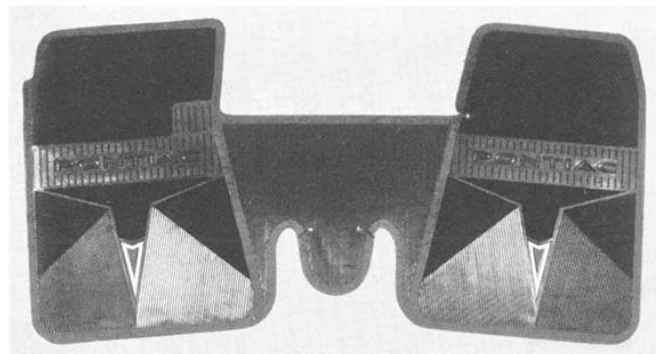

Engine Block Water Heater. Electric preheater for engine coolant provides fast, effortless starts, quick heater action during severe cold. Single unit raises engine coolant overnight from 0°F to 50°F, dual unit to about 90°F. Operates from standard house electrical outlet. (D)

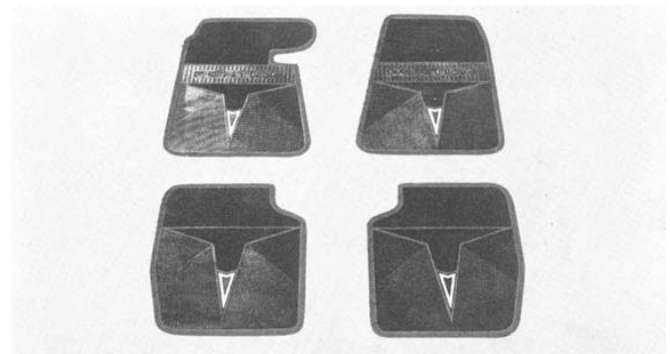

Spare Tire Cover (Code 402). Protects trunk contents and tire. Slips on/off easily. Dresses up luggage compartment. Available all models except station wagons and models using Space-Saver Spare tire. (F, D)

Luggage Compartment Floor Mat (Code 732). A heavy-duty, rugged, solid Gray vinyl floor mat gives extra protection for trunk compartment as well as for cargo. Not available on station wagons. (F, D). Rear compartment covering available for Firebird models, factory-installed only.

Full-width Floor Mat (Front Only). Long-lasting, easily removed for cleaning. Extends over center tunnel, protects whole floor. Available in seven Pontiac colors. Available all Pontiac series except Firebird. (D)

Floor Mats, Front (Code 631); Rear (Code 632). Keeps car looking new. Easily removed for washing. Available in seven Pontiac colors to harmonize with interiors for all Pontiac series. (F, D)
