Concours Information

Concours entries must tech-in and be in place in the Convention Center by 4:00 PM, Wednesday, June 29. Concours judging starts 7:00 AM, Thursday, June 30. **Indoor cars** must have less than 1/4 tank of gas and battery must be disconnected. **No Armor All or silicone sprays of any kind may be applied inside the Convention Center.**

Only GTOs, GT-37s, and 1964-1972 A-bodies (Tempest & LeMans) can enter Concours classes. 1974 Venturas that promote a GTO image may compete in the Concours Competition Modified Class (race cars) only.

Cars in all Concours classes (except 2004-06 GTOs and Competition Modified) **must provide documentation from Pontiac Historical Services** indicating that the car is an authentic GTO / Judge / GT-37. Concours cars must remain inside the Convention Center until Sunday morning.

Concours Class Descriptions:

Restored: Judging in this class will be based on authenticity and quality of workmanship. Replacing original materials, assemblies, or additions of accessories is acceptable only if they were available from the manufacturer during that particular model year. Point determination for the use of reproduction parts will be based on their likeness to factory assembly line parts.

Factory Original (Unrestored): This class will be judged on the car's originality and condition. Originality will be determined from the body identification and production codes. Condition will be based on cleanliness and amount of

wear. Only original or GM maintenance parts are eligible to receive full point credit. Use of aftermarket or reproduction parts will be grounds for full point deduction. Cars in this class should have a majority of original paint, upholstery, and chrome plating.

Modified & Competition Modified:

To enter Concours Modified or Competition Modified, a car must have at least three qualifying modifications such as: engine swap, transmission swap, non-original induction, disc brakes where not original, aftermarket AC, fuel injection, blower, nitrous, suspension mods, custom dash or upholstery, custom paint (aftermarket color, flames, graphics, etc.) tube frame, roll bar, body modifications, etc. Cars in this program will be judged on build quality, fit, finish, and detail.

Popular Vote Information

Popular Vote is open to all Pontiacs.

Classes are determined by model, year, and body style based on actual registrations received.

Popular Vote registrations **MUST be received by June 15**. Popular Vote registrations received after June 15 will be entered as Street Legends, a display-only class. No exceptions.

All cars must complete tech-check-in.

Popular Vote tech-in **must be completed by 5:00 PM, Thursday, June 30**. There is no tech-in on Friday, July 1. No exceptions.

If you do not complete tech check-in by **5:00 PM Thursday, June 30**, your car goes into Street Legends display only.

Popular Voting takes place Friday, July 1, from 9:00 AM to 1:00 PM.

See the Popular Vote Classification Chart to determine if you should enter as Stock or Modified. Make sure you enter the proper category for your vehicle. If your car has to be placed in a different class upon arrival because the information you provided is incorrect, there

may not be sufficient parking space in the proper class.

This also applies if you bring a different car from the one originally registered. Every effort will be made to accommodate such situations, but if you show up with flames on a car entered as Stock, there may not be a space for you in the Modified category.

Likewise, if you register a '64 GTO convertible but arrive with a '68 Firebird hardtop, there may not be space for you in the class where you need to park.

You must supply your VIN when registering a GTO or Judge. PHS will verify that the car is a real GTO or a real Judge.

Unverified GTOs will be classed as Modified A-body and unverified Judges will be classed as Modified GTO.

It is not necessary to supply a VIN when entering a Pontiac that is not a GTO or Judge in Popular Vote.

Street Legends is a display-only, non-voting class for all Pontiacs. It is open to stock, modified, original, project, unfinished, or even beater cars. No judging, no voting, just bring it.
