Only 1964-2006 GTOs, GT-37s, and 1964-1972 A-bodies (Tempest & LeMans) can enter Concours classes.

1974 Venturas that promote a GTO image may compete in the Concours Competition Modified Class (race cars) only.

**Cars in all Concours classes** (except Competition Modified) **must provide documentation from Pontiac Historical Services** indicating that the car is an authentic GTO / Judge / GT-37 / Tempest / LeMans.

## Concours Class Descriptions:

**Restored:** Judging in this class will be based on authenticity and quality of workmanship. Replacing original materials, assemblies, or additions of accessories is acceptable only if they were available from the manufacturer during that particular model year. Point determination for the use of reproduction parts will be based on their likeness to factory assembly line parts.

**Factory Original (Unrestored):** This class will be judged on the car's originality and condition. Originality will be determined from the body identification and production codes. Condition will be based on cleanliness and amount of wear. Only original or GM maintenance parts are eligible to receive full point credit. Use of aftermarket or reproduction parts will be grounds for full point deduction. Cars in this class should have a majority of original paint, upholstery, and chrome plating.

## **Modified & Competition Modified:**

To enter Concours Modified or Competition Modified, a car must have at least three qualifying modifications such as: engine swap, transmission swap, non-original induction, disc brakes where not original, aftermarket AC, fuel injection, blower, nitrous, suspension mods, custom dash or upholstery, custom paint (aftermarket color, flames, graphics, etc.) tube frame, roll bar, body modifications, etc. Cars in this program will be judged on build quality, fit, finish, and detail.

Concours cars must complete tech check-in by 5:00 PM Tuesday, July 6. No exceptions. Concours judging takes place on Wednesday, July 7.

## Popular Vote Information

Classes are determined by model, year, and body style based on actual registrations received.

### **Popular Vote is open to all Pontiacs.**

Classes for non-GTOs will be determined by the number of other Pontiacs registered, either by year or model.

Popular Vote registrations **MUST be received by June 15, 2021**. Popular Vote registrations received after June 15 will be entered as Street Legends, a display-only class. No exceptions.

### **All cars must complete tech-check-in.**

Popular Vote tech-in takes place Monday, July 5, Tuesday, July 6, and Wednesday, July 7. There is no tech-in on Thursday, July 8. No exceptions.

If you do not complete tech check-in by **5:00 PM Wednesday July 7**, your car goes into Street Legends display only.

### **Popular Voting takes place Thursday, July 8, from 9:00 AM to 1:00 PM.**

See the Popular Vote Classification Chart to determine if you should enter as Stock or Modified. Make sure you enter the proper category for your vehicle. If your car has to be placed in a different class upon arrival because the infor-

mation you provided is incorrect, there may not be sufficient parking space in the proper class.

This also applies if you bring a different car from the one originally registered. Every effort will be made to accommodate such situations, but if you show up with flames on a car entered as Stock, there may not be a space for you in the Modified category.

Likewise, if you register a '64 GTO convertible but arrive with a '68 Firebird hardtop, there may not be space for you in the class where you need to park.

You must supply your VIN when registering a GTO or Judge. PHS will verify that the car is a real GTO or a real Judge.

Unverified GTOs will be classed as Modified A-body and unverified Judges will be classed as Modified GTO.

It is not necessary to supply a VIN when entering a Pontiac that is not a GTO or Judge in Popular Vote.

**Street Legends** is a display-only, non-voting class for all Pontiacs. It is open to stock, modified, original, project, unfinished, or even beater cars. No judging, no voting, just bring it.
