	OK for STOCK	Goes In MODIFIED
<b>GENERAL</b>	Popular Vote Stock is not about numbers-matching or Concours-level correctness. It is about stock appearance. If a vehicle looks stock, it can enter as Stock. Factory parts or reproductions of factory parts are OK in Stock as long as they are appropriate for the year of the vehicle. Safety-related upgrades and service replacement items are OK.	Popular Vote Modified is for cars with custom parts, aftermarket parts, or combinations impossible for the model or year (i.e., Tri-Power after 1966, 455 engine in a 1961 Tempest, LS2 engine in a 1971 Ventura, hood tach on a 1964 Catalina, etc.) If the vehicle does not look like factory production, it goes in Modified.
<b>EXTERIOR</b>	Factory color (or reasonably similar) appropriate for year. Base-coat/clear coat OK. OEM-type stripes or decals correct for year (no 1968 Judges, no hood birds on 1971 Trans Ams, etc). Chrome, stainless, lenses, and glass appear as factory.	Non-factory color or wrong color for year. Painted bumpers in place of chrome. Body color grilles. Wrong year or aftermarket graphics. Wrong year options (i.e., hood tach before 1967). Non-factory paint (candy, pearl, metal-flake, flames, flip flop, etc.) Sheet metal changes, body kits, added scoops, aftermarket skirts, fiberglass or Lexan components, scissor doors.
<b>INTERIOR</b>	Factory-type seats, panels, upholstery correct for year, carpet, console, steering wheel, seat belts, headliner. Aftermarket gauges, tach, radio in original location or hidden, floor mats OK.	Non-factory upholstery, carpet, or headliner material; aftermarket steering wheel, seats, safety harness, add on sound equipment, speakers in trunk, etc. Custom made dash, console, tubs, roll cage, gutted, fuel cell, racing seats, TV, video games.
<b>WHEELS &amp; TIRES</b>	Pontiac factory wheels or hubcaps, even if wrong style for year provided size is appropriate. Radial or bias ply tires OK.	Aftermarket billet, mag, or aluminum wheels, non-Pontiac wheels, impossible size for year of car (i.e., 17-inch wheels on a 1969 Firebird), Hurst wheels, slicks.
<b>ENGINE COMPARTMENT</b>	Any Pontiac engine, must look like appropriate configuration for year, correct Pontiac engine color for year. Factory style valve covers, intake, exhaust. Auxiliary fan, HD radiator in factory color, fan shroud as long as factory-style; modern battery, belts, or hoses permitted.	Anodized fittings, braided hoses, chrome accessories, headers, graphics, aftermarket intake, valve covers, aluminum heads, cold air kit, colored ignition wires, MSD box, engine painted non-factory color, Tri-Power after 1966. Aftermarket blower, turbo, or fuel injection, nitrous, smoothed firewall, no inner fender wells.
<b>CHASSIS</b>	Any factory brake system even if incorrect for year but must appear as factory finish & plating. Sway bars or non-GM rear end if appearing as factory finish. Dual master cylinder before 1967 OK.	Aftermarket brake system; traction bars; side exhaust; undercarriage chromed, powder-coated, or other non-factory plating or finish. Tube frame, back-halved, four link, wheelie bars, parachute, hydraulics.
<b>GTOs &amp; JUDGES</b>	All GTO entries must supply VIN numbers to determine authenticity. VINs will be checked against the PHS database to determine if the vehicle is a real GTO or Judge.	Undocumented GTOs will be classed as Modified A-body. Undocumented Judges will be classed as Modified GTO (unless the car is not a GTO, in which case it will be classed as Modified A-body).
<b>PLEASE NOTE</b>	<b>These guidelines apply only to Popular Vote.</b> Concours standards are different. It is important that you class your car properly with regard to Stock or Modified. If our tech people have to reclassify your car upon arrival, there may not be a parking space for you in the reassigned class. If you are not sure whether your car should be entered as Stock or Modified, please call and discuss the situation with the folks listed at the top of this page. Changing your class once you arrive will be a headache. You won't like it. Get it right ahead of time.
